Hi
Can you draft a response to this one along the lines we discussed this afternoon
Thanks
Sue

Dear Councillors

Please find attached a letter setting out a number of questions in response to the Education in west Northumberland report. We would value a response to the questions highlighted and hope that they may be considered by the Family and Children's Services Overview and Scrutiny Panel and the Council's Cabinet.

We look forward to hearing your response, many thanks for your time and consideration.
