The Adjudicator will be making a decision in relation to that proposal. However the other proposals are interrelated with the closure proposal and that proposal will not be considered artificially in isolation.

Hi Karen

Can you please clarify whether the Adjudicator will be making the decision in relation to the proposal for Bellingham Middle School alone or whether he will also make a decision in relation to the first schools that are proposed to become primary schools and which are set out in the same statutory proposal?

kind regards

Lorraine
