Dear Sir or Madam,

Whilst I support the proposal that any of the existing first schools within the Haydon Bridge partnership can become primary schools, I write to express reservations about the proposed closure of Bellingham Middle School. I am of the view that this is a decision that needs to be made in close consultation and cooperation with the local community and the federated schools, rather than be forced upon the community. I do hope you will take the views of the Bellingham and North Tyne communities very carefully into account.
Yours faithfully
Elizabeth Hodgson
