Common Application Form – September 2017

Entry to Middle, High, Secondary School or Academy

Closing date for applications 31 October 2016

This application form should only be completed if you are **resident in Northumberland** and you have a child who is due to transfer into a Middle, High, Secondary School or Academy in September 2017. Only one form should be completed for each child and it should be completed in **black ink and in block capitals**. You can also apply for a school place online if you prefer at: admissions.northumberland.gov.uk

Residents of other local authorities should complete a Common Application Form issued by their home local authority for a place in a Northumberland School.

This form should be completed even if your child has a statement of Special Educational Needs or an Education Health and Care Plan (EHCP) or is currently undergoing a Statutory Assessment.

IMPORTANT

In our Admissions Handbook you will find advice on admissions and details of schools, and Academies in Northumberland. You should read this advice together with the admission arrangements for the schools you are interested in and the notes attached to this form, before you fill in this form.

You can access the Admissions Handbook on the Middle/High/Secondary Admissions web page (address below): admissions.northumberland.gov.uk

NOTES FOR COMPLETION OF COMMON APPLICATION FORM

1. Please provide the address at which your child is normally resident. If you have shared residency for your child provide an explanation of how the shared arrangements work in practice.

Where it is demonstrated that a place in a preferred school has been obtained on the basis of a false statement of address or any other false information, the County Council reserves the right to withdraw that place.

If you are intending to move into the catchment area of the requested school you are advised that it is essential to provide evidence of removal e.g. a solicitor's letter confirming the exchange of contracts and the date of legal completion or tenancy agreement longer than 6 months.

2. For the purpose of admissions siblings are deemed to be brothers and sisters, step brothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.

3. It is important that you provide evidence of exceptional social or medical need by **31 October 2016**. Your application should be supported by detailed information provided by a professional body, such as a doctor, a social worker or consultant. If this information is not provided by **31 October 2016** it will not be considered at a later date.

4. You can find information about all Northumberland schools in the Admissions Handbook. You may name up to three schools that you would like your child to be considered for. However, please note that the County Council will only offer your child a place at one school.

When we are able to offer a place at more than one of the schools you have named, we will offer the school you have ranked highest on your list (with 1 being the highest). If we are unable to offer you a place at any of the schools on your list, we will offer you a place at the nearest available school.

When we are unable to offer a place at a preferred school, parents will have the right to appeal against this decision to an independent appeal panel.

5. Catchment areas can change so you should make sure that you know which catchment area you live in. If you choose to apply for a non-catchment area school, you should be aware that a place at the catchment area school is not automatically reserved. You should consider making your catchment area school one of your preferred choices in case your application for a non-catchment school is unsuccessful.

6. Full details of the criteria we will use to allocate places can be found in Section 4 of the Admissions Handbook. Tell us why you are expressing a preference for each school you name.

7. You need to be aware that not applying for your catchment area school is likely to affect any entitlement to free school transport. The **home to school transport policy** is published in full on the County Council website www.northumberland.gov.uk/admissions.

8. Local Authorities and schools must make reasonable adjustments to ensure that the needs of disabled pupils are met. The Admissions Code defines disability as a physical or mental impairment that has a substantial and long-term adverse effect on the ability to carry out normal day-to-day activities. If you feel that your child falls into this category, please provide details in a letter along with this form. Please note that the information you provide will not be used to decide which pupils are offered places. We need the information only to allow us to make any necessary preparations or adjustments at the school concerned.

9. Northumberland County Council has no obligation to find an alternative school for children who are not resident in Northumberland and who are unsuccessful in obtaining a place in a Northumberland school.

10. The closing date for applications is **31 October 2016**. If your application is received later than this date there can be no guarantee that it will be considered along with those that have been received by the closing date.
