**Landlord Permission**

I hereby give permission to Northumberland County Council to complete a free no obligation assessment of the property at the address given below to establish if the property and occupant qualifies for assistance under the Warm Homes Fund. I understand that this will also include an assessment to establish the most suitable heating type for the property.

I understand that I will be contacted after the technical assessment to discuss the heating system that has been established for the property and to confirm my approval to proceed prior to any installation being arranged. The heating system will be chosen at Northumberland County Council's sole discretion. I understand that there may be occasions whereby it is not possible to provide a heating system to the property due to the property being in an area of conservation or historical interest or due to restrictions on the property itself or set by the Warm Homes Fund.

I confirm I have obtained prior express consent from the below Tenant to disclose the Tenant's following details to Northumberland County Council:

Name of Tenant:
