Living - "We want you to feel safe, healthy and cared for"

Enjoying - "We want you to love where you live"

Learning - "We want you to achieve and realise your potential"

#### **Key Issues**

1. There is an issue with indiscriminate parking on The Peth Wooler, which is causing road safety concerns.
2. The scheme is supported by County Councillor Murray, Wooler Parish Council and local residents.

### Background

#### Introduction of 'No Waiting at Any Time' Restrictions (Double Yellow Lines)

Council Officers have been notified by County Councillor Murray and Wooler Parish Council that instances of indiscriminate parking are taking place on The Peth Wooler. This is causing road safety concerns to residents and road users. Motorists are parking on either side of the road approaching a bend on The Peth, causing visibility issues when travelling in both directions.

It is therefore recommended to introduce 'No Waiting at Any Time' restrictions (double yellow lines) on road safety grounds at this location. The rationale is to prevent parking where it is considered unsafe to do so in key locations. Civil Enforcement will be carried out by Parking Services on their routine visits to the town.

Details of the proposals are shown on the plan - Appendix A.

A formal consultation did not take place. However residents were canvassed on the proposals by the County Councillor and Parish Council. Council Officers have worked closely with County Councillor Murray and Wooler Parish Council on proposals to resolve these issues.

Northumbria Police, other emergency services and relevant statutory consultees will be notified of these amendments as part of the process for making the permanent Orders.
