COMPOSITE ORDER 2011 AMENDMENT NO 37  
EXPERIMENTAL ORDER 2021**

**STATEMENT OF THE COUNCIL'S REASONS FOR MAKING THE ORDER**

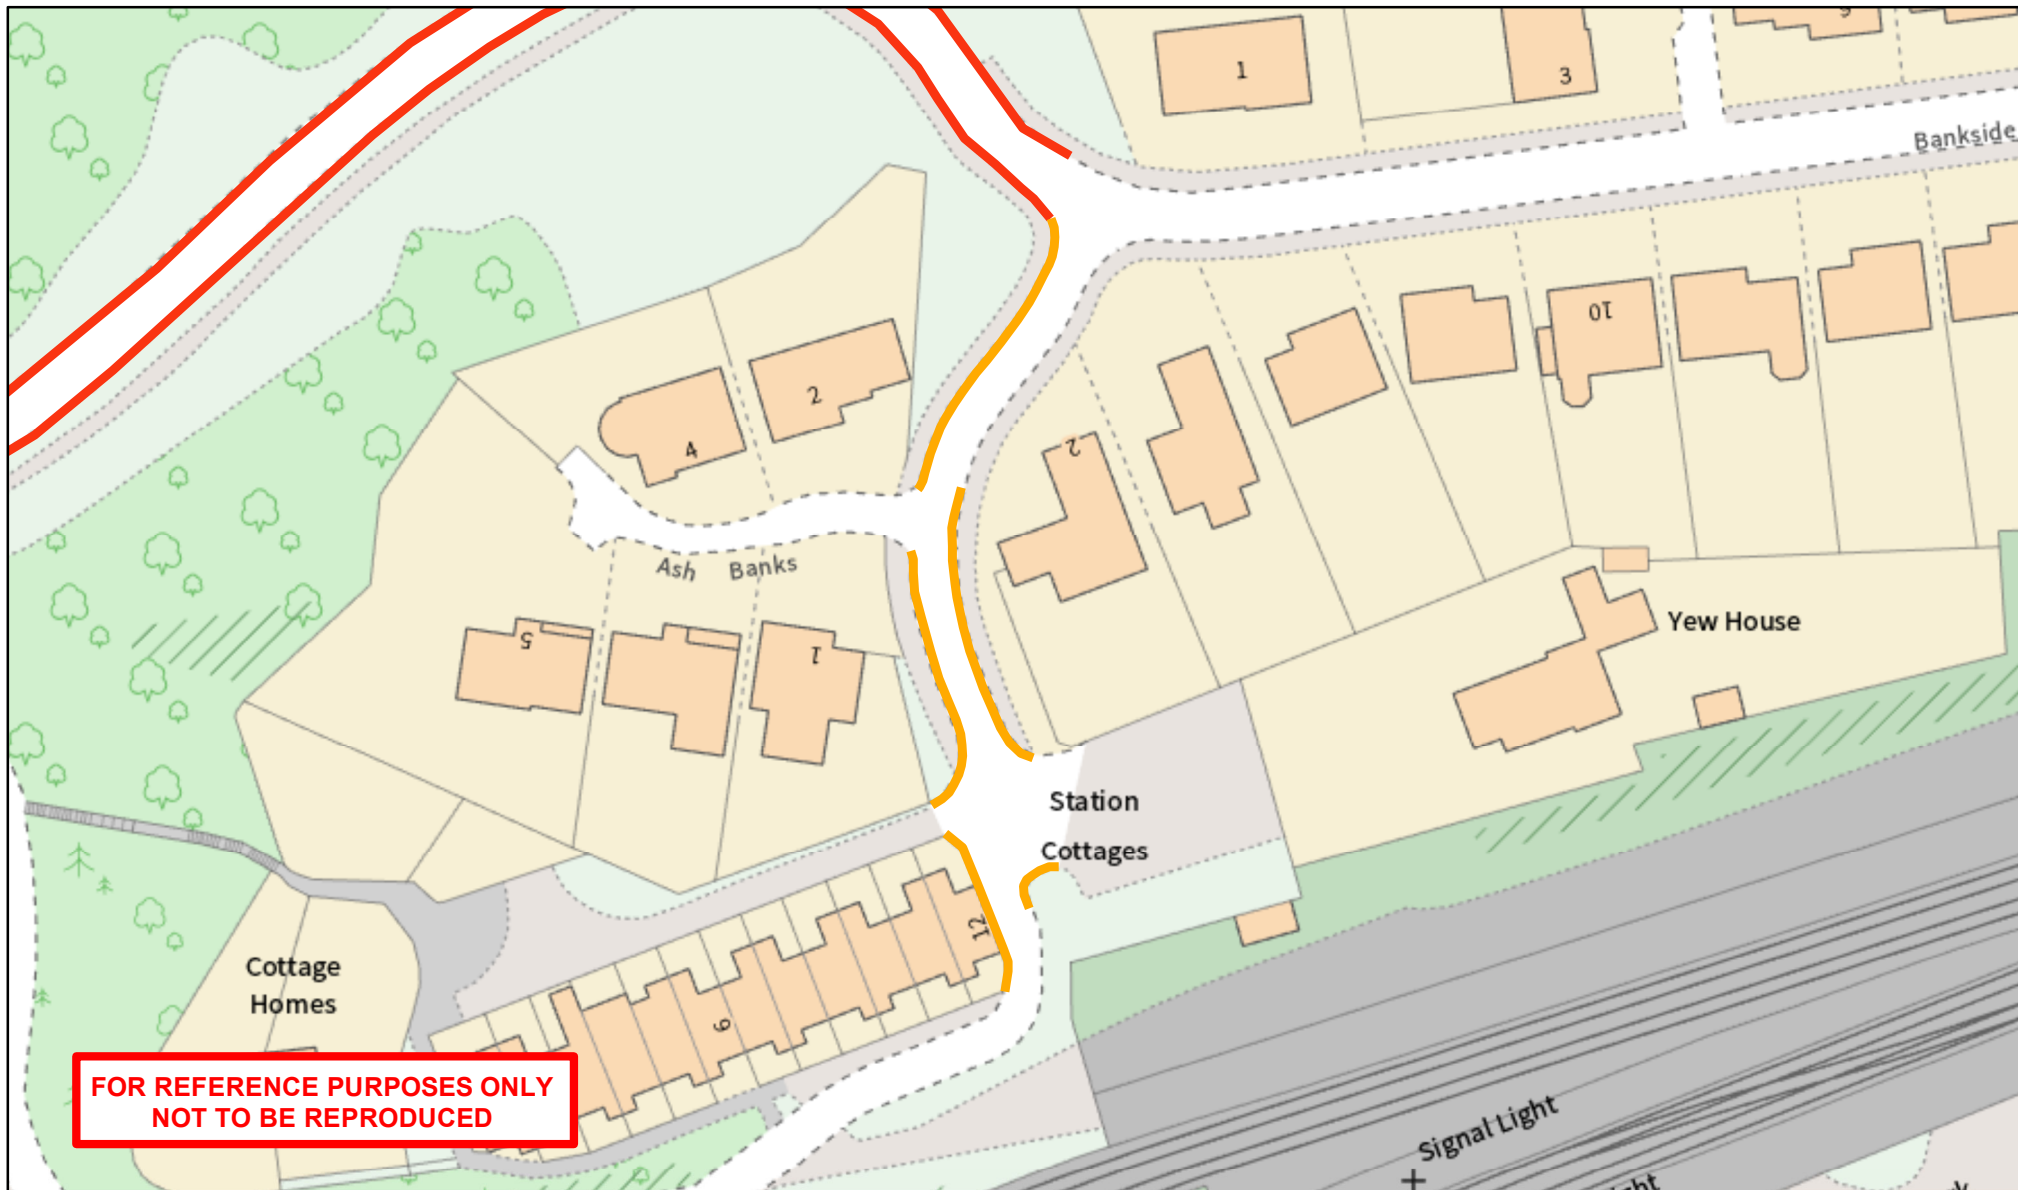

The effect of this Experimental Order will be to introduce waiting restrictions at Station Cottages in Morpeth on an experimental basis.

The reason for introducing these restrictions by way of an Experimental Order is to assess the impact the restrictions have as a solution to the parking issues on the road.

Restrictions are being introduced to alleviate the increased level of obstructive and indiscriminate parking currently being experienced due to its close proximity to Morpeth railway station, where commuters use the residential street as a 'Park & Ride' facility as opposed to using the allocated Pay & Display off-street car parks.

Consideration will be given after a trial period as to whether or not the provisions of this Experimental Order should be made permanent. Currently, at the end of a 18 month trial period, the Council intends to consider making an order which will continue in force indefinitely having the same effect as the Experimental Traffic Regulation Order.

The effects of this Order will be reviewed after a 12 month period.
