

Proposed Shed - View from North East  
Scale NTS @ A2

Proposed Shed - Ground Floor Plan

Proposed Shed - View from South East  
Scale NTS @ A2

Proposed Shed - Site Location Plan

The Shed layout consists of a mix of:

1 No Storage Facility for Neighbourhood Services & 1 No Storage Facility for highways and traffic management.

A welfare space/ toilets and storage facility is provided on two individual mezzanine areas.

Externally there are 6no. Staff Parking spaces split between both Neighbourhood services and highways/ traffic management.

There is further parking for all other facility vehicles within the garage/ workshop phase.
