

Audit Completion Certificate issued to the Members of Northumberland County Council for the year ended 31 March 2022

In our auditor's report dated 29 August 2024, we explained that the audit could not be formally concluded until we had completed our work on which we have issued our commentary on the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources and that the commentary would be included in our Auditor's Annual Report.

This work has now been completed.

No matters have come to our attention since 29 August 2024 that would have a material impact on the financial statements on which we gave our unqualified opinion.
