

Statement of Accounts 2023-24

Our auditors Forvis Mazars LLP have conducted a full and detailed audit of the Statement of Accounts 2023-2024.

They have reported to the Council's Audit Committee and provided their opinion on the accounts which are now published. The Statement of Accounts 2023-2024 has been approved and authorised for issue at the Audit Committee on 26 February 2025.

Forvis Mazars LLP cannot formally conclude the audit and issue a certificate until they have completed the work necessary to issue their assurance statement in respect of the Council's Whole of Government Accounts.

Once this work is complete the Council will publish:

- Forvis Mazars' Final Audit Certificate; and
- A Notice of Conclusion of Audit explaining the rights of local electors to inspect the accounts and the audit certificate.
