LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

The primary purpose of the premises is to provide wine for sale on and off the premises in a nice environment. Given the size of the premises it is not expected to serve on site more than 30 people and will be staffed predominantly by the Premises Supervisor with at most one additional staff.

The establishment will have clear policies that cover the principle objectives and will ensure these are adhered to, particularly in relation to public order, age verification and noise. Below are the detailed actions that will be put in place to support the individual objectives

b) The prevention of crime and disorder

CCTV: CCTV will be installed both inside and, subject to permission, to cover any outside seating with appropriate signage installed to make customers aware. Access to the CCTV will be appropriately controlled

Collaboration with local police: The business will work with local law enforcement (the premises supervisor and local sergeant are both Governors of the local school and so known to each other and work together) to ensure any action required is taken and support provided where appropriate.

c) Public safety

Access and egress: As part of the architectural plans will be appropriate planning for safe entry and exit of the premises with fire equipment as necessary. The work will also assess maximum capacity and this will be adhered to.

First Aid, slips, trips and falls: Appropriate staff training will be undertaken to ensure suitably qualified staff are on site to manage any minor incidents with clear escalation policies. The design of the premises will seek to minimise the risk of slips, trips and falls and policies will be in place to ensure any increased risks through spillages etc are mitigated.

Responsible Service: Appropriate checks will be made on the age of anyone attempting to purchase alcohol and policy will be in place and any staff trained not to serve anyone at risk of intoxication or already intoxicated.

d) The prevention of public nuisance

Communication: Notices will be displayed but staff training will also include reminding patrons to keep the noise down on egress and to be mindful of neighbours

CCTV: This will be used to also manage outside behaviour and take action as required to minimise risk of disruption or public nuisance

e) The protection of children from harm

Age verification: As previously mentioned strict rules will be in place to verify the ages of anyone purchasing alcohol who could or appears to be underage. Notice will also be taken if it is suspected that underage individuals are asking others to purchase alcohol on their behalf to prevent this risk.

It is not proposed to hold events that would attract young people and hence raise the risk.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
