### **Eiklan Accredited Training** **Speech and Language support for 3–5 year olds**

This evidence-based Speech and Language Support for 3 – 5's is a highly successful externally accredited training course which equips staff to develop key communication skills in children.

The training course will:

- Build your confidence and skills to support the communication and learning development of ALL children aged 3-5's years but especially those with speech and language difficulties.
- Give you practical advice and strategies to support parents and families with whom you work.
- Provide settings with a highly skilled workforce to help narrow the gap and improve the life chances of young children
- Give you an externally verified and accredited level 2 or 3 award.

Learners complete a 'Learning Log' throughout the duration of the course to gain accreditation. There is a time commitment involved to completing activities with pupils and evaluating practice.
