

Northumberland County Council

Speech, Language and Communication Service Talk Boost Training Opportunities Academic Year 2023-24

Many of you will be aware of the Talk Boost language intervention programmes, designed to improve the language and communication skills of language delayed children. These interventions are designed to equip school to support their learners as part of the graduated response.

We are pleased to announce that further training opportunities have been arranged for this academic school year, enabling more staff to be trained to deliver these evidence-based interventions.

Training is available for:

- Early Talk Boost, designed to support children aged 3-4 years
- Talk Boost KS1, designed to support children aged 4-7 years.
- Talk boost KS2,

How much does it cost?

No Talk Boost Intervention Pack in School for the Talk Boost Course you wish to attend

Participants must have access to the relevant Talk Boost Intervention Pack at the time of the course delivery.

Talk Boost Intervention Packs can be purchased by us on your behalf from I CAN, the children's language charity.

Please inform HINT if an Intervention pack is required when you book your place.

Cost for Schools who have already purchased the relevant Talk Boost Intervention Pack

Where a school has already purchased a Talk Boost Pack and wish to train additional staff to deliver the intervention the cost is £20 per delegate.

The charge is to cover the cost of the delegate book. The delegate books will be ordered from I CAN by ourselves on your behalf.
