Dear Kylee House,

## **Congratulations!**

You have achieved your Anti-Bullying Accreditation.

You can now use the Anti Bullying logo on any correspondence. This will last for two years.

We do know that bullying can affect lots of young people making them feel very miserable but by making a decision to work towards achieving this accreditation you are enabling your young people to live, play and learn in a safe environment .

Well done to you, your staff and the young people in your care for all the hard work involved in becoming an Anti-Bullying Accredited home.

Yours Sincerely,

*Angie Joni Mitchison*
