**Would you get a
buzz out of
working with
young people?**

Our children need people who care, as well as those who...

- can form relationships quickly and connect with them
- enjoy physical and creative activities
- will encourage them to develop their life skills
- respect privacy, confidentiality and their rights
- will listen to their views and be their advocate
- will help them to maintain and build relationships
- can be a positive role model – act as a good parent would

What you can offer, as well as “canny craic”...

- a wish to learn and develop childcare skills
- a commitment to be part of a fun, supportive team
- flexibility and adaptability for shift work
- be over 21, hold a full driving license, plus a general education in English and Maths
- creativity and resourcefulness for different situations
- an enjoyment in helping children be part of a family home

What we offer.....
