Hub Referral

First Contact:

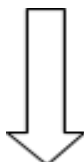

Team Manager, Enquiry and Referral Administrators, Early Help Coordinators.

Details of the concern are taken and decisions are made on any further action.

If the child has suffered or is likely to suffer significant harm the concern is passed to the MASH Team.

Any other concerns are passed to the relevant team. They will review the information and decide on appropriate action.

Risk of Significant Harm

MASH:

Team Manager, Children's Social Care Researcher, Police, Health, Education, Early Help.

Research sent out to Social Care, Police, Early Help, Health and Education. All agencies complete background information and send this back in to the Team Manager within the given timescale.

Strategy discussion to decide further action; this can include a Section 47 enquiry or a Child and Families assessment.

Visits carried out by Duty Social Workers.
