

BE PART OF NATIONAL MUSIC DAY

21ST JUNE 2021

# BIG GIG 2021

- Are you a class teacher that delivers Whole Class Instrumental tuition?
- Do you support a music club, or choir/vocal group in school?
- Do you teach beginner instrumentalists?
- Do you have a music teacher from Music Partnership North that already supports delivery of whole class tuition?

If the answer is YES then the Big Gig 2021 is for you and your pupils!

Please register by 23rd April 2021 [HERE](#)

Music Partnership North invites you to our virtual “Big Gig” as part of National Music Day 21st June 2021. Music makers across the nation will band together to appreciate the many benefits that music making brings to life.

National Music Day spotlights the significance of music in our respective cultures and salutes the many ways that music, both making it and enjoying it, brings people together. Music has the power to heal, connect, and inspire.

It is open to singers, music groups, any class receiving whole class instrumental tuition (any instrument), any other smaller groups of primary school instrumentalists and their teachers. This year’s theme is “Local Heroes” and includes music from a variety of genres including Folk, Classical, Rock, Pop, Jazz and Dance. Resources for each instrument, supporting backing tracks and how to be involved will be forwarded to the registered email address.

Please register by **23rd April 2021** using the link [here](#)

Visiting MPN teachers will be able to prepare the pieces as part of their regular programme. In 2019 thirty-seven schools took part from Newcastle, North Tyneside and Gateshead.
