

MUSIC PARTNERSHIP NORTH NEWSLETTER

Parent's Newsletter - March 21

BACK TO SCHOOL

As all students go back to school we are looking forward supporting you and your child in their musical journey. In this newsletter you will find information regarding opportunities and financial support available.

TUITION

We've worked hard to keep lessons going through lockdown by delivering tuition online. From 8th March we will be starting to return to in-person lessons at school, but will continue to offer an online lesson option. Click [here](#) for more information.

INSTRUMENT LOAN

*Throughout lockdown we **suspended all instrumental hire charges** to families to support every child continuing to access music. This scheme is being extended until September and will be reviewed then, so learning to play and instrument has never been easier. Please spread the word!*

ENSEMBLES

*In October we moved all our ensemble rehearsals online with the culmination of **Unity Through Music**, click [here](#) to watch. These continue to take place online and if you would like to find out more about the ensembles click [here](#).*

We are always looking for new members!

FINANCIAL SUPPORT

We appreciate that a lot of families are watching their finances closely but there are a few options to support tuition:

- *Pupil Premium - via your child's school*
- *MPN Charity can provide financial support click [here](#) for their website*
- *A package of tuition options click [here](#) - group/individual/20 & 30 min sessions*

If you need support please contact us.
