BUILDING BLOCKS - MUSIC FOR NURSERY/RECEPTION AND KS1

Early Years/KS1

This project was launched in 2021 and has been extremely popular. We now have a growing team of highly tutors delivering projects across the county.

Sessions include songs, rhymes and movement along with an exploration of musical instruments.

Children are introduced to fundamental musical elements in a fun and interactive way supporting their general development and well-being along with ongoing musical progression.

"We have noticed huge benefits to our youngest children in school, particularly those children who need support to settle in. These children are beginning to make eye contact and join in with the familiar routines and songs."

"Our Reception children love the sessions and the tutor manages to hold their attention and engage them for a prolonged period - no mean feat with 4 year olds!"

How does this work?

This is the first step on a child's musical journey. These fun, interactive sessions lay an excellent foundation in music. Using pitched and unpitched musical instruments, students will begin to explore pulse, rhythm, tempo and composition.
