

NORTHUMBERLAND

PARENT CARER FORUM

Northumberland Parent Carer Forum is the Department for Education recognised parent forum for Northumberland. We work in partnership with the local authority, health and social care to improve services for children and young people with special educational needs and disabilities (SEND) and their families.

Communication is key to what we do. We listen to experiences and wishes of families and make sure that those views are heard by those providing services, so that we can be part of every stage of planning and decision-making. Wherever possible, we aim to work in co-production. We are your voice, and we need to hear about your experiences to ensure we represent you effectively.

We are an independent, voluntary organisation:
