Newsletter

October 2021 - The newsletter of Carers Northumberland

Hi everyone, HAPPY HALLOWEEN!

We have had another fun month here at Carers Northumberland. We all enjoyed the visit to Airbox. I see that you all have some amazing skills on the trampolines so well done to all those who were able to attend!

We also designed some really cool t-shirts in our young carers craft group using Sharpie art. If anyone would like the instructions on how to create your own, please get in touch! I am so excited for our next group where we will be doing Halloween makeup! Bring on the blood and gore! Look out for some more activities in our 'what's on guide'. Look out for our Halloween competition and my (hilarious) Halloween jokes!

Don't worry about being a little bit scared to come along to the activities. None of the children that came to the Airbox trip had met before and they all had loads of fun and made new friends. I know it can be frightening when you don't know anyone, but everyone is in the same boat as all of our activities are really new!

Would you like to take a break, spend some time relaxing and chilling out?

We offer young carers a small grant to help you take some well deserved time out... Lots of young carers love looking after the person they care for but everyone needs a chance to recharge their batteries. You can spend your grant on whatever helps you take a break, a day out at the cinema with friends, or a new computer game, maybe a bike or a new pair of football boots.

Whatever it is we can try and help, it also doesn't matter how much your parents earn, all young carers are eligible. Get in touch to apply!

Grants are for up to £150 pounds
