Explanatory Notes

Valuation

All dwellings (domestic properties) in Northumberland have been valued by the Valuation Office Agency (not Northumberland County Council) and have been put into one of eight bands from A to H, which reflect the capital value of each dwelling as at 1 April 1991.

Most dwellings will be subject to council tax. There will be one bill per dwelling whether it is a house, bungalow, flat, maisonette, mobile home or houseboat irrespective of whether it is owned or rented.

The valuation bands of all dwellings in Northumberland County Council's area are shown in the Valuation List produced by the Valuation Office Agency. The list can be inspected via the Valuation Office Agency's website www.voa.gov.uk.

The Council sets the council tax charge for band D dwellings. The charge for other bands is calculated on fixed proportions using band D as the base. The proportion you will pay is shown in the table below.

Band	Property value on 1 April 1991	Proportion
A	Up to £40,000	6/9
B	£40,001 to £52,000	7/9
C	£52,001 to £68,000	8/9
D	£68,001 to £88,000	9/9
E	£88,001 to £120,000	11/9
F	£120,001 to £160,000	13/9
G	£160,001 to £320,000	15/9
H	Over £320,000	18/9

Council tax payers may have a right of appeal against their valuation band. You can find out more about when you can challenge your band and what you need to do at www.gov.uk/challenge-council-tax-band. You can also contact the Valuation Office Agency at www.gov.uk/contact-voa. If you are unable to use the online service you can also contact the VOA on 03000 501 501.

If you challenge your band, you must continue to pay council tax at your current band until your appeal is decided. If your appeal is successful any overpayment will be refunded.

Exemptions

A dwelling may be exempt from council tax in certain circumstances. If an exemption has been applied it will be shown on the front of your bill. Listed below are the exemption classes:

Class	Description	Exempt Period
B	Dwellings owned by charities with a housing objective, which are unoccupied, provided the dwelling was being used for the purposes of the charity.	Up to 6 months (after which there will be a charge)
D	Dwellings left empty by persons in detention.	No limit
E	Dwellings left empty by persons in hospitals or care homes.	No limit
F	Dwellings left empty by deceased persons. This exemption only applies where the deceased council tax payer is the sole owner of the dwelling.	Up to grant of probate or letters of administration and up to 6 months thereafter (after which there will be a charge)
G	Dwellings whose occupation is prohibited by law.	No limit
H	Dwellings left empty but held vacant for a minister of religion.	No limit
I	Dwellings left empty by persons receiving care other than in hospital, residential care, nursing home, independent hospital or hostel.	No limit
J	Dwellings left empty by persons providing care.	No limit
K	Dwellings left empty by students.	No limit
L	Dwellings repossessed by a mortgagee.	No limit
M	Student halls of residence.	No limit
N	Dwellings occupied only by students.	No limit
O	Armed forces barracks, messes and married quarters.	No limit
P	Dwellings occupied by a member or members of visiting armed forces.	No limit
Q	Empty dwellings in which a trustee in bankruptcy would be the liable person for council tax.	No limit
R	Empty caravan pitch or mooring for a boat.	No limit
S	Dwellings occupied solely by persons under 18 years of age.	No limit
T	Unoccupied annexes which cannot be let separately.	No limit
U	Dwellings occupied by persons who are severely mentally impaired which can also be owned or occupied by students.	No limit
V	Dwellings occupied where at least one person who would be liable is a foreign diplomat.	No limit
W	Dwellings which form part of a single property including one other dwelling and are the home of a dependent relative (granny annexe).	No limit

Please note: Dwellings which are vacant (but not exempt under any of the exemption classes) do not qualify for an exemption. Vacant dwellings are dwellings that are both unoccupied and substantially unfurnished.

Adult social care funding

For adult social care authorities, council tax bills show two percentage changes: one for the part of the overall change attributable to the adult social care precept, and one for the part attributable to general expenditure.

The adult social care element represents an offer made by the Government to increase council tax to assist the Council in meeting expenditure on adult social care. The Council has taken up the option to raise an additional 1.75% in 2021-22 for adult social care. The additional 1.75% in relation to adult social care is calculated from the total council tax charge for the previous year and is not a 1.75% increase on the previous year's adult social care precept.

For example, the Council's council tax charge for a Band D dwelling in 2020-21 was £1,760.96 (made up of a general charge of £1,606.46 and an adult social care charge of £154.50) so the 1.75% additional charge for adult social care in 2021-22 is £30.82 ($£1,760.96 \times 1.75\%$). The overall charge for 2021-22 is a cumulative figure so the £30.82 is added to the 2020-21 charge of £154.50 to give a total charge for 2021-22 of £185.32 for a Band D dwelling.

Council Tax Support

There are two types of support available to help you meet your council tax payments.

Main Council Tax Support is assessed on the income of the person or persons liable to pay council tax. Reductions of up to 100% of the amount payable are available for pension age customers and 92% for working age customers. If your income exceeds the amount the Government says you need to live on, a deduction is made from the full amount of support available. A further reduction may be made in respect of other adults living with you.

Second Adult Rebate is available where there is only one person liable to pay the council tax and they share their home with one or more other people, on a non-commercial basis. The amount of Second Adult Rebate granted is not linked to the income of the person liable to pay the council tax, but to the income of the other persons living with them. You cannot normally claim Second Adult Rebate if you live with your partner.

Only main Council Tax Support or Second Adult Rebate can be granted, not both. The higher amount of the two will be granted if both types of reduction are applied for.

Council Tax Hardship Fund Payment

The Council has decided that working age people receiving Council Tax Support will receive up to £300 towards their council tax charge for 2021-22. If you are already in receipt of Council Tax Support you do not need to do anything as this payment has automatically been deducted from your council tax bill.

Empty Homes Premiums from 1 April 2021

If a dwelling has been unoccupied and substantially unfurnished for more than 2 years an Empty Homes Premium will be charged. From 1 April 2021 the following premiums will apply:

- 100% for properties which have been empty and substantially unfurnished for 2 years or more, but less than 5 years. This means 200% council tax is payable.
- 200% for properties which have been empty and substantially unfurnished for 5 years or more but less than 10 years. This means 300% council tax is payable.
- 300% for properties which have been empty and substantially unfurnished for 10 years or more. This means 400% council tax is payable.

Failure to notify the Council within 21 days of a change in circumstances that may affect the premium could result in a civil penalty of £70 or £280.

Discounts

The council tax payable is reduced in certain circumstances by the granting of a discount. If there is only one adult resident, the bill is discounted by 25%. Persons working away from home, whose partners and/or children remain in the family home, are usually regarded as resident in the family home.

When determining the number of adults resident in a dwelling, certain groups of people are disregarded. If all of the adults resident in a dwelling are disregarded a 50% discount is allowed. If all but one of the resident adults is disregarded, a 25% discount is applied. The groups of people disregarded for the purposes of assessing discount are:

- Persons resident in hospitals, residential care homes and hostels; and those detained in prison.
- The severely mentally impaired, if they are in receipt of certain State benefits.
- Students, student nurses and apprentices. Persons under 20 years of age who have just left school or college may be disregarded until 1 November after they complete their education.
- Resident care workers who are employed to provide care or support for at least 24 hours per week. Unpaid carers who provide care for a person who is in receipt of certain disablement benefits may also be disregarded.
- Members of religious communities who have no income of their own and depend upon their religious community for their material needs.

Documentary evidence of status may be required in order to qualify for a discount.

Discount for uninhabitable dwellings from 1 April 2018

A vacant dwelling which requires, or is undergoing, major repair works or structural alterations in order to make it habitable may be eligible for a discount of 100%. A discount will be awarded for a vacant dwelling for up to 12 months, or up to 6 months after works are completed (to a maximum of 12 months in total). Before a discount can be awarded an inspection of the dwelling will be carried out by the Council.

Each application for discount will be considered on an individual basis and will take into account the date the dwelling first became uninhabitable, the physical condition of the dwelling and the nature of the works required to make it habitable. A discount will end immediately if the dwelling becomes occupied or furnished.

Local Discounts

Local authorities have a general power to grant discretionary local discounts. Full details can be obtained on the council tax pages at www.northumberland.gov.uk or by contacting the Council Tax Team on 0345 600 6400.

Annexe Reduction

Annexes used by the council tax payer of the main dwelling as part of the main dwelling, or annexes which are occupied by a relative of the council tax payer of the main dwelling, will be entitled to a 50% reduction in the amount of council tax payable on the annexe.

The criteria for the annexe reduction are:

- The annexe must form part of a single property which includes at least one other dwelling, i.e. the annexe must be within the grounds of the main dwelling (but not necessarily attached to it); and
- Is being used by the resident of the main dwelling as part of their main home; or
- Is the main residence of a relative of the council tax payer living in the main dwelling. For this purpose a relative is defined as; a partner, parent, child, step child, grandparent, grandchild, brother, sister, uncle, aunt, nephew or niece (also includes great grandparent, great grandchild and other relationships as defined in the Council Tax (Reductions for Annexes) (England) Regulations 2013.

The 50% reduction is in addition to any other discount that the council tax payer or their relative may be entitled to. For example, if an adult son is living in the annexe on his own he will be liable to pay the council tax on the annexe and will be entitled to a 25% single person discount, plus a 50% annexe reduction on the remaining liability.

Relief in respect of disabled residents

A reduction in the amount of council tax payable can be given if there are facilities within a dwelling that are essential or of major importance to the well-being of a disabled person living there. The reduction is applied by effectively re-banding the dwelling into the valuation band one below that shown in the Valuation List. Band A dwellings are eligible for a reduction in the amount payable equal to 1/9th of a band D dwelling.

The facilities present for this reduction to be applied must include at least one of the following:

- A room (other than a bathroom, lavatory or kitchen) which is used mainly by the disabled person; or
- A second bathroom or kitchen; or
- Sufficient floor space to permit the use of a wheelchair provided that the disabled person needs to use a wheelchair indoors.

Billing assumptions

Council tax bills are issued on the assumption that the circumstances on the date of billing will remain the same until the end of the financial year (31 March 2022). If you are in receipt of a time-limited discount or exemption you will receive a revised bill prior to the discount or exemption expiring.

Entitlement to council tax reduction(s), including council tax support

If you have claimed and been granted council tax support, disabled band reduction, any discount or exemption to which you are not entitled, or you fail to notify the Council within 21 days of a change in circumstances that may affect your entitlement, you could be liable to a civil penalty of £70 or £280, and for council tax support you may also be prosecuted.

Disputes and appeals

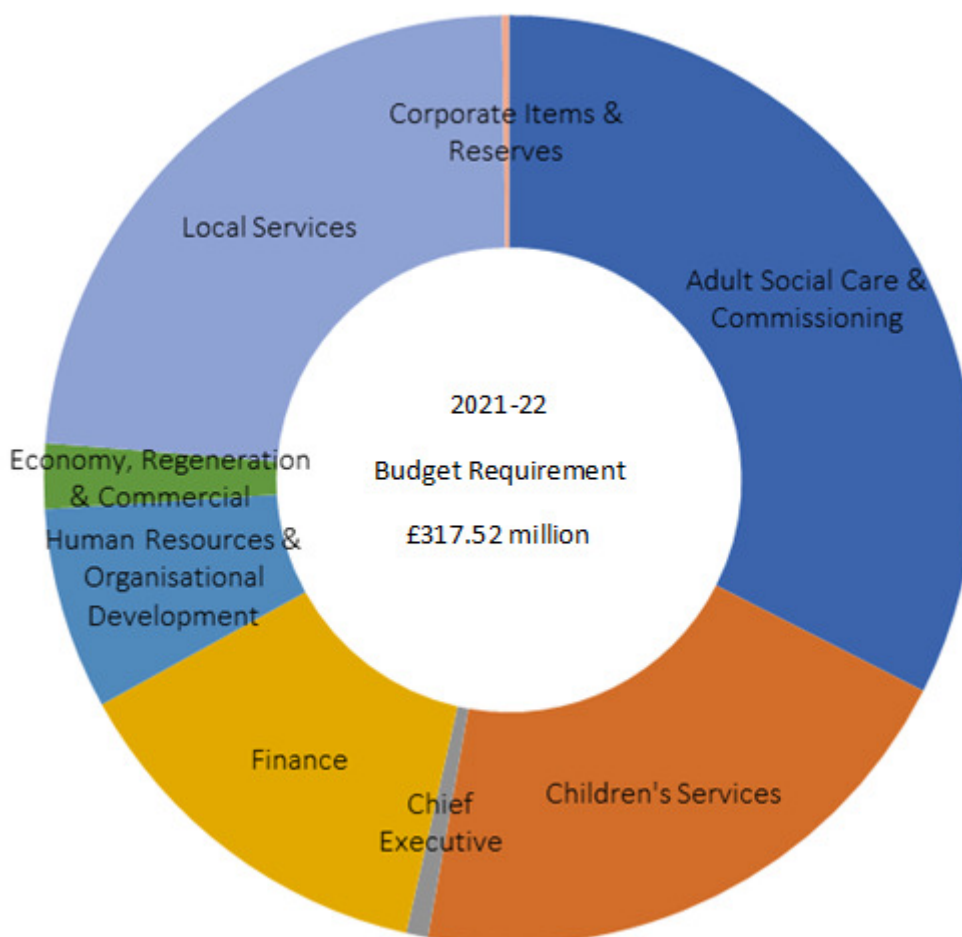

Appeals to the Valuation Tribunal can be made for the following reasons:

- You should not be liable for council tax.
- A dwelling for which you are liable should not be chargeable.
- The Council has not awarded a discount or exemption to which you may be entitled.
- A civil penalty has been incorrectly charged.
- If you think your award of council tax support is incorrect.

Representation in the above matters must first be made to the Council. If agreement is not reached, an appeal to the Valuation Tribunal can then be made.

Message from the Office of the Police and Crime Commissioner for Northumbria

Your police precept is the result of careful consideration of policing needs offset against household cost pressures. While recent events have led to some economic uncertainty, local budget surveys have shown people are prepared to pay a little more for a better resourced police force.

Nationally, police forces were given permission by Government to increase bills by a maximum of £15 a year, the equivalent of 10.9% in the Northumbria force area. I believe this would be too high a figure for many households.

So instead, the local police precept will increase by 4.99%, equivalent to 57 pence per month for a band D property, and for a band A property by 38 pence per month. This slight increase will go towards ensuring Northumbria Police can effectively fight crime and prevent crime. Alongside an ongoing recruitment campaign and a continued commitment to neighbourhood policing, your precept increase will pay for 60 new police investigators.

The Band D council tax precept for Northumbria will increase from £137.00 to £143.84 for the year. This remains, by far, the lowest precept of any Police and Crime Commissioner in England and Wales. You can find more information on the OPCC website – www.northumbria-pcc.gov.uk

The Council Tax (Demand Notices) (England) Regulations 2011

The Environment Agency is a levying body for its Flood and Coastal Erosion Risk Management Functions under the Flood and Water Management Act 2010 and the Environment Agency (Levies) (England and Wales) Regulations 2011.

The Environment Agency has powers in respect of flood and coastal erosion risk management for 6500 kilometres of main river and along tidal and sea defences in the area of the North West Regional Flood and Coastal Committee. Money is spent on the construction of new flood defence schemes, the maintenance of the river system and existing flood defences together with the operation of a flood warning system and management of the risk of coastal erosion. The financial details are:

North West Regional Flood and Coastal Committee		
2020/2021 '000s	2021/2022 '000s	
Gross Expenditure	£99,022	£130,113
Levies Raised	£4,097	£4,179
Total Council Tax Base	2,178	2,163

The majority of funding for flood defence comes directly from the Department for the Environment, Food and Rural Affairs (Defra). However, under the new Partnership Funding rule not all schemes will attract full central funding. To provide local funding for local priorities and contributions for partnership funding the Regional Flood and Coastal Committees recommend through the Environment Agency a local levy.

A change in the gross budgeted expenditure between years reflects the programme of works for both capital and revenue needed by the Regional Flood and Coastal Committee to which you contribute. The total Local Levy raised by this committee has increased by 2.0%

The total Local Levy raised has increased from £4,096,979 in 2020/2021 to £4,178,918 for 2021/2022.

NORTH OF TYNE

COMBINED AUTHORITY

North of Tyne Combined Authority

North of Tyne Combined Authority The Newcastle upon Tyne, North Tyneside and Northumberland Combined Authority (known as the North of Tyne Combined Authority) was established on 2 November 2018 by the Newcastle upon Tyne, North Tyneside and Northumberland Combined Authority (Establishment and Functions) Order 2018. As well as establishing the North of Tyne Combined Authority, the 2018 Order changed the boundaries of the North East Combined Authority so that NECA now covers the Local Authority areas of Durham, Gateshead, South Tyneside and Sunderland. NECA and the North of Tyne Combined Authority will work together on a number of areas to support the region, including Transport. The North East Joint Transport Committee (JTC) has been established to exercise the functions of the two Transport Authorities, including the setting of levies and budgets for transport activity.
