

PART-TIME COURSES FOR ADULTS ACROSS NORTHUMBERLAND

ADULT LEARNING MINI GUIDE - JANUARY 2021

Cath McEvoy-Carr, Executive Director of Adult Social Care and Children's Services.

Welcome to our term two guide, showcasing a wide range of learning opportunities from January 2021. Last year we saw thousands of learners come through our doors and we look forward to meeting many more of you from across the county in the new year.

We're in a different world now, which will mean there won't be as many face-to-face classes and you'll see a new blended learning approach using digital technologies to connect and inspire throughout your learning journey. New from January 2021, you'll see a range of online courses which are designed to enable your learning to continue remotely without any face-to-face contact.

Our ambition remains stronger than ever - we want every resident of Northumberland to have the opportunity to develop skills that can help them to retrain, find employment, advance their career or try out something new.

Our team has worked hard to create an exciting range of courses bringing you the flexibility of learning online, where possible.

We have also ensured, that when you do visit our campuses, measures are in place to make you feel completely safe.

We are proud to continue our focus on numerous vocational areas from health and social care to maths and English skills, as well as art classes and courses around mental health awareness.

All of our courses are designed to offer experience and enrichment to nurture and develop aspirations with a range of activities and accreditations.

Whether you run a small business and want to expand productivity, need to know how to navigate online forms or want to connect with family using your phone or tablet, we can help, so get in touch (see contact details on the back cover).

With a clear focus on your personal and professional growth, make Northumberland the place that works for you.

Cath McEvoy-Carr

# Languages

Classes designed for real life.

Northumberland Learning and Skills offer many language courses at different levels. Our highly popular classes use a blend of online and socially distanced lessons. Our courses range from French, German and Italian to Japanese, Russian and Greek.

Languages are taught in three steps:

- Step 1 Develop
- Step 2 Improve
- Step 3 Consolidate

You will have an initial assessment to determine your skill level and starting point.

We offer short and intensive if you need to learn in a hurry, or want a refresher, as well as our one-day taster sessions.

If you want to delve into our local history and learn more about Latin and Hadrian's Wall, then our Veni Vidi Vici is the course for you.

Discover the benefits of learning a second language and how it can help keep the mind sharp whilst boosting listening skills and confidence.

Some courses will require an initial assessment to ensure you start your learning journey at the right place for you. Our enrolment team will then secure your place and give you all the information you need to start your journey.

#### **DYSLEXIA SUPPORT**

We can offer advice on learning strategies, learning support sessions and a brief screening or exam assessment – speak to us at the start of your course.

#### SIGN LANGUAGE AND LIP READING

Our British Sign Language and lip-reading courses are available across Northumberland. British Sign Language courses have a small fee, but these can be waived in some circumstances. Lip-reading is provided free to all learners. We have signing and translating lecturers available if required.

#### **COUNSELLING SERVICE**

We can provide support if you're facing a tough time outside the classroom or workplace. If you are a learner with us and have been referred by our Learner Support Service, counselling is free. All our counsellors are fully qualified members of the British Association for Counselling and Psychotherapy.

#### **KEEPING YOU SAFE**

Your safety is paramount and we have detailed safeguarding policies and procedures in place. You can talk to our Safeguarding Champions if you have any concerns or report via our safeguarding portal tootoot.

#### **EQUALITY**

Northumberland Learning and Skills aims to advance equality, tackle discrimination and build good community relations. We will protect you from disadvantage, inappropriate behaviour, discrimination or victimisation on the grounds of race, economic or social background, gender, age, religion or belief, disability and sexual orientation.

## Giving you the edge

We are passionate about your success and have designed our courses to inspire you - boosting your skills, confidence and achievements.

#### **BE INSPIRED**

We are here to support your learning journey and provide the tools you need to connect you to lecturers with occupational specific expertise. Their focus is you.

#### **MEET AND STAY CONNECTED**

Our classes are small, friendly and welcoming. They offer you the opportunity to meet likeminded people using online platforms and socially distanced groups.

#### **SKILLS FOR WORK**

Our team of advisors and teaching staff will guide and support you to choose your next steps into further/higher education, advance your career, start your own business, find employment or to retrain.
