ADULT LEARNING COURSES SUMMER 2019

HEXHAM | PRUDHOE

ENROL NOW CALL 0345 600 6400 OR VISIT WWW.NORTHUMBERLAND.GOV.UK/ADULTLEARNING

WELCOME TO THE 2019 ADULT LEARNING SUMMER PROGRAMME

We're here to help you get onto a course that could get you into work, progress your career, add a new skill or simply to have fun and introduce you to like-minded people.

We'll help you get started at the right level for you. There are a range of classes available including day tasters to whet your appetite through to accredited diploma courses giving you an industry recognised professional qualification.

There are two locations to choose from - **Hexham** and **Prudhoe** - but if you live in a more rural area and there isn't a centre near you please let us know, we can help.

Our programmes are affordable with a lot of courses **FREE OF CHARGE**. We also offer a range of support, so whatever your situation, help is available.

Call our enrolment line today or visit one of our centres. Our website has lots more information including course descriptions and how the levels work:
www.northumberland.gov.uk/adultlearning

WE'RE LISTENING!

If there are any courses you would like to see listed, email us at adultlearning@northumberland.gov.uk with the subject line '**Course Feedback**'

New home for Learning & Skills team in Hexham

From the end of April, the Learning and Skills team in Hexham will move into Wentworth Leisure Centre, creating a community hub integrating leisure, health and education services.

The new classrooms, located opposite the bowling alley, will provide a wide range of opportunities from one day language tasters, to creative writing and new crochet classes alongside professional development courses in Teaching Assistant and Childcare.

With plenty of parking and modern facilities why not drop in to today and sign up for a course. It could be the start a brand new learning adventure.

Exciting new vocational centre within Haydon Bridge High School

Haydon Bridge High School is benefitting from new Council investment of £4.5million on building works, which are due to start in May 2019, with a new vocational centre to be created within school.

The facilities will be used to train young people and adults in four areas:

- **Construction**
- **Engineering**
- **Hairdressing and Beauty Therapy**
- **Hospitality and Professional Catering**

From September 2019, the School and Learning and Skills Service are joining up their expertise to be able to deliver an exciting new vocational sixth form offer, as well as full and part time courses for young people and adults from the new centre. It will also provide an amazing new base for apprentices based in Tynedale employers to undertake their off the job studies locally.

So it's time to register your interest early. If you are looking for a vocational sixth form place for September 2019, or you are an adult or employer wanting to study one of these subjects, let us know by contacting **Andrew Brown** on **01670 612 281** or email him at: **andrew.brown01@northumberland.gov.uk**

Health, Care & Education

Are you caring patient and creative? Do you have a lot of energy and great communication skills? Have you thought of a career in Health, Care or Education?

With a huge demand for workers and plenty of opportunities for progression you could gain employment in these sectors.

We offer a range of qualifications for you to choose from including: Supporting Teaching & Learning in Schools or Children and Young People's Workforce Development Level 2 & Level 3 including Early Years Educator Level 3.

In the Care Sector we offer introductory courses which include the L2 Certificate Preparing to Work in Adult Care with full support to progress to Adult Care Apprenticeships at L2 & L3.

Contact **Clair Chandler** on **01670 623 689** or email her at: clair.chandler@northumberland.gov.uk

Maths & English

Staff who teach our Maths and English qualifications are highly qualified and experienced professionals who are sensitive to the needs of adult learners.

They're 100% committed to getting the very best out of you with an individual initial assessment to check your current skills and a tailored tuition plan.

We consistently have higher success rates than the national average for our Maths and English learners.

Languages

Research shows that learning another language is good for your mental health. The top benefits to learning a language are: keeps the mind sharp; connection with other cultures; improves memory; enhances listening skills and boosts confidence.
