

Passionate about reading and learning

Northumberland Schools Library Service

What we do

Northumberland Schools Library Service is a subscription service which provides high quality resources and advisory services to schools throughout Northumberland and beyond. Using our service is a very cost effective alternative to buying books and resources for school which will quickly become out of date.

Our Mission

We provide a professional, unique and flexible service that delivers high quality and accessible resources that support a broad and balanced curriculum and inspire the love of reading in all children regardless of age, ability, special needs or geographical location.

“The governors and staff feel that joining the SLS is good value for money”

Why subscribe to SLS?

- **We save you money**
It is more cost effective to borrow books from us. Books can be exchanged regularly, ensuring your school is continuously supplied with high quality, up to date books in excellent physical condition. Also included is access to a digital library of eBooks and eAudiobooks.
- **We save you time**
We research and assess the resources we provide, ensuring they are relevant, up to date and of the highest quality. We compile your projects, reading for pleasure and guided reading loans leaving staff time to concentrate on teaching.
- **We deliver directly to your school**
Resources are delivered to and collected from your school FREE at the beginning and end of every term. Stock is delivered in our strong blue storage boxes.
- **We give professional advice**
Our team of professional and experienced staff are always on hand to give you advice on all library and resource related issues.

“We couldn't have refurbished our library without your guidance and expertise.....so thank you”

Service Level Agreements

We offer four levels of subscription package; Bronze, Silver, Gold and Platinum, tailored to meet the needs of first, primary, special and middle schools.

The maximum number of books that can be loaned at any one time is determined by the number of pupils in the school and the level of service selected.

Service Level	Description	Number of Books per Pupil
Platinum	Enhanced package. Includes 1 full day of professional time to manage your library collection.	11
Gold	Higher level	8
Silver	Standard package	5
Bronze	Entry level	3

The current charges are set out in our Service Level Agreement documents on our website.

Stock entitlements are calculated on the basis of a minimum of 50 pupils on roll. Special arrangements are in place for schools with under 50 pupils. Please contact us for a quote.

Additional delivery charges may be negotiated with schools outside our existing operational area.

“I cannot raise standards in literacy without books and SLS is the cheapest way of getting and exchanging them”

Secondary Schools

We offer a bespoke service to meet the needs of High schools, Secondary schools, Academies and Independents throughout Northumberland and beyond.

Book Loans

- We offer extended loans of high quality fiction and non-fiction books. Collections can be exchanged regularly, ensuring your stock is always fresh and up to date.
- You can decide on the number of books you need and pay accordingly.
- Charges for book loans are based on a sliding scale - the more you borrow, the more you save! The current charges are set out in our Service Level Agreement documents on our website.
- Schools using Accelerated Reader can borrow boxes of up to 40 AR quizzed books at the levels required.
