## Public Consultation on Proposed School Admission Arrangements 2022/23

In accordance with the School Admissions Code (2014) the Governing Body are required to undertake a public consultation (at least every 7 years) on the proposed admission arrangements for the school year 2022/23.

As you may be aware the school was part of the Local Authority Consultation on Bedlington Schools' change to primary status with effect from this academic year 2020/21, when our PAN (published admission number) was also changed to 30.

It is our School Admissions Policy detailing our admissions criteria and procedures which we now consult on. Other than the above changes agreed under the wider consultation there have been only minor changes to these criteria in recent years.

A copy of the full policy is enclosed or a hard copy can be obtained by contacting Mrs Jeanette Dajoux, School Business Manager at the above address.

The consultation period will run for a period of 6 weeks from the date of this letter and we invite any comments or feedback to be made to Mrs Claire Gray, Headteacher no later than Friday 4<sup>th</sup> December 2020.

In the event of there being no objections the Governing Body will adopt the proposed arrangements at the end of the consultation period.

Mrs Arleen Thompson  
CHAIR OF GOVERNORS
