Dear Parent / Carer

Northumberland is an outstanding place to live. We also want to ensure that education in the County offers the best possible life chances for our young people.

Your first application for a school place for your child is exciting but can also be confusing and worrying. The same can be said if your child is changing between schools at the end of a phase. Do we know everything there is to know? Have we made the right choice?

The Council has written this Handbook as a guide and aid for these important decisions.

The Handbook contains an explanation of the way schools in Northumberland are organised, the Schools' Admission policies and how to apply for your preferred school(s).

We include other information which will also be of use. The different school partnerships are explained as well as more general information.

More detailed information can be obtained from individual schools where they will explain the opportunities they can give. It is advisable to contact the individual schools you are interested in before submitting your application. I am sure they would welcome your interest.

A good education gives every young person the foundation for achieving to the best of their potential. The County Council wants to see every child given the best possible chance by providing the very best opportunities in education across Northumberland.

Schools are part of their communities and we encourage parents and carers to be involved by becoming a Governor of the school, supporting the Headteacher and the staff team or by joining in with school activities.

All Northumberland Schools are inspected by Ofsted, the body that ensures that schools are educating and looking after children correctly. The reports are published and include their findings on how the school has performed in Teaching and Learning and its culture. It may be helpful to access the reports for the schools you are interested in either by contacting the school or via the website: [www.ofsted.gov.uk](http://www.ofsted.gov.uk).

Further useful information including an online version of this Handbook can be found on the Council's website: [admissions.northumberland.gov.uk](http://admissions.northumberland.gov.uk).

It is hoped that this Handbook provides all the information you need and has been designed to take you through the process without problems. If you have any queries or need further help to fill in the application forms then please contact the School Admissions Team on 0345 600 6400.

Children are our future and we want their years at school to be enjoyable. We want them to be happy in an environment they feel safe in. We want them to grasp every opportunity and be able to make their own choices.

We can achieve this with your support. I hope you find this guide helpful in making the right choices for your children.

Best wishes,

Cllr. Wayne Daley  
Cabinet Member for Children's Services.

## INTRODUCTION AND WELCOME

All parents whose children are due to start in a Reception class **must** complete an application form, even if their child already attends a pre-school or nursery class attached to a school.

### Choosing Your Child's School

One of the most important decisions you will make in your child's education will be in deciding which school you would like your child to attend. Making that choice can involve a great deal of research and planning. The most important thing you can do before expressing your preferences is to find out as much information as possible about the school(s) you are interested in.

***You do not have a right to choose which school your child will go to, you only have a right to express a preference. Our ability to meet your preference will depend upon not only the demand for places at an individual school but also on the number of places available.***

### Visit the School

One of the best ways to assess a school is by visiting it in person. You should make an appointment with the Headteacher if you wish to visit a school.

Consider the location of the school. When your child is older, will they be able to get to school alone?

***A visit to a school does not constitute an offer of a place, nor does it give priority for places. Parents should not assume that a visit to a school constitutes any obligation on the part of the school or the Local Authority.***

### Obtain the school prospectus

Schools are required to publish an online prospectus. The prospectus can tell you more about a particular school than this Admissions Handbook. The Local Authority does not keep copies of individual school prospectuses; they can only be obtained from schools or school websites.

### Check the performance tables

Every year the Department for Education (DfE) publishes Schools and Colleges Achievement and Attainment tables (formerly performance tables) for First and Primary, Middle, High and Secondary Schools. You can obtain a copy of a schools performance tables by contacting the DfE on 0800 242322 or on the DfE website at: [www.DfE.gov.uk/performance-tables](http://www.DfE.gov.uk/performance-tables).

### Research Ofsted reports

It may be helpful to read Ofsted reports which are produced by the Government's School Inspectors. A report is available for every school and you can obtain copies from the school. However it should be noted that not all Ofsted reports are current. They can also be found on the Ofsted website [www.ofsted.gov.uk/reports](http://www.ofsted.gov.uk/reports).

### Admission Numbers

All schools have a Published Admission Number (PAN) largely based on the size of the school building and their capacity to accommodate pupils. Once an admission number has been set, the admissions authority must respect that number. Pupils should not be admitted above the Published Admission Numbers unless exceptional circumstances apply.

# Useful Information

## SECTION 2

## TERM TIME HOLIDAYS

Headteachers have the discretion to grant leave, but they will only do this in exceptional circumstances. If a headteacher grants a leave request, it will be for them to determine the length of time that the child can be away from school. Leave is unlikely to be granted for the purposes of a family holiday.

It is an offence to take your child on holiday during term time without consent from the school. Parents will be fined

## School Holiday Dates

**School holiday dates for 2020/2021** are on the Northumberland County Council website you can access the dates by following the link below:

Details of the Teacher Training Days can also be found by following the link below on the Northumberland County Council website or by telephoning 0345 600 6400.

# Admission Arrangements 2020/2021

## SECTION 3

## Admission Arrangements for 2020/21

Local authorities must have co-ordinated admission schemes. This means that you fill in a single form (Common Application Form) instead of applying separately to lots of schools.

Full copies of the Co-ordinated Admission Scheme can be found on the Northumberland County Council website at [admissions.northumberland.gov.uk](https://admissions.northumberland.gov.uk).

If you live in Northumberland and wish to apply for a school outside of the County, you must complete the Northumberland Common Application Form. We will write to you on **16 April 2020** to let you know whether your application has been successful.

If you live outside of Northumberland and wish to apply for a Northumberland School, you must complete a Common Application Form from your Home Local Authority. Your Home Local Authority will inform you on **16 April 2020**, whether your application has been successful

The questions and answers in this section are designed to explain the process you must go through to apply for a place in a Northumberland school and to provide further information to enable you to express the best preferences possible for your child's education.

### How are schools organised in Northumberland?

Some school partnerships in Northumberland are organised as First, Middle and High Schools, whilst other partnerships are organised as Primary and Secondary and some have a mixture of both.

First Schools are for children aged 4 to 9 (Reception and years 1 to 4)

Middle Schools are for pupils aged 9 to 13 (years 5 to 8)

High Schools are for pupils aged 13 to 18 (years 9 to 13)

Primary schools are for pupils aged 4 to 11 (Reception and years 1 to 6)

Secondary schools are for pupils aged 11 to 18 (years 7 to 13)

Please see Section 6 for information about school organisation.

Bede Academy in Blyth is an 'all age' school taking children aged 3 – 18. Parents of pupils who enter the academy at aged 4 will not need to make any further applications for school places unless they wish to transfer out of an academy. Bede Academy also has an entry point at age 11 (Year 7).

All Northumberland High and Secondary Schools have sixth form provision for pupils who wish to continue studying beyond the age of 16. Whilst most pupils who have Special Educational Needs or an Education, Health and Care Plan (EHCP) are taught within the First, Primary, Middle, High and Secondary School system, some attend Special Schools or units. There are 8 Special Schools in Northumberland (see page 106).

### What are school partnerships?

Each school partnership is made up of one High or Secondary School, its feeder Middle Schools where appropriate and their feeder First or Primary Schools. The teachers in each partnership work closely together and share information about pupils' progress and needs, and also plan joint activities.

### What is meant by the school's catchment area?

The catchment area is the defined geographical area from which a school will expect to take in children. Most Northumberland schools have a catchment area. You should check whether you live in the catchment area for your preferred school before applying. The School Admissions Team can advise you on the appropriate catchment area school for your postcode.

Catchment maps are also available online and can be accessed through the Northumberland County Council Website: <http://map.northumberland.gov.uk/schools/> Alternatively these can be obtained by contacting the School Admissions team.

### What is meant by greater catchment area?

The greater catchment area for a school is the catchment area of the high or secondary school, i.e. all schools in a partnership that feed into a particular high or secondary school.

### Where can I find out about the schools in my area?

Within this handbook there are the addresses and telephone numbers of all schools in Northumberland. You can see all the schools together with the schools they feed into in Section 6.

Section 6 also provides the following information about each school:

Whether the school has a nursery class.  
The relevant Admission Authority.  
The Published Admission Number (PAN) for the school.  
Schools to which children are expected to transfer to or from.  
The number of pupils admitted in the previous September.  
Other information that you may find useful.

### How do I apply for a school place for my child?

You must apply to the Local Authority area in which you live. Each local authority has its own Common Application Form which you will need to complete even if you are applying for a school outside your Local Authority area. Only apply on a Northumberland County Council application form if you live in Northumberland.

The admissions portal for online applications opens on **1 November 2020**.

[admissions.northumberland.gov.uk](https://admissions.northumberland.gov.uk)

You should complete an application setting out the schools you would prefer your child to attend. You can express preferences for up to 4 schools. You need to set out the reasons for your preferences, using the criteria for prioritising applications: ***stating a preference is not making a choice, places are allocated according to equal preference.***

The criteria for Community and Voluntary Controlled Schools are set out in Section 4 of this handbook. The oversubscription criteria for each Church Aided School, Foundation School, Trust School and Academies are set out in the section 5 of this handbook.

***If you are applying to a Church Aided School or Academy you may be asked to complete a supplementary form. This form can only be obtained from the school you wish to attend. You should check with the school to see if a supplementary form is needed.***

Parents applying for more than one school are also asked to rank these in order of preference. Sometimes not all school preferences can be met because there may be more applications than places available at schools.

The full admissions policy for Community and Voluntary Controlled Schools can be found on the Northumberland County Council website at [admissions.northumberland.gov.uk](https://admissions.northumberland.gov.uk).

Admissions criteria for Voluntary Aided, Foundation and Trust Schools and Academies can be found in Section 5 of this handbook. Full copies of the admission arrangements for these schools can be obtained from the school. You should list as many preferences as you are able to (up to four) and one of these should be your catchment school.

### Why are Looked After Children and former Looked After Children given high priority?

The Government directs Local Authorities to give priority to children who are or who have ever been in the care of a Local Authority. There is also an expectation that when a child in care has to move within the school year, he or she is placed in a new school within 20 days of moving. If your child falls into this priority group you should ensure that the school admissions team is aware of this on application.

### What happens if my child has a Statement of Special Educational Needs or Education, Health and Care Plan (EHCP)?

When a school is named on a child's Statement of Special Educational Needs or Education, Health and Care Plan (EHCP) a place must be given to this child before any other places are allocated. However, this can only happen if it is known before the allocation process begins.

However, if your child has a Statement or an EHCP and you are unsuccessful in gaining a place at your preferred school, you may appeal to the SEN Panel. Parents of children with a Statement or an EHCP cannot appeal to the Admissions Appeal Panel.

### What do I need to provide if I think that I qualify under the social/ medical criterion?

If you think that you or your child matches this criterion for admission to a specific school then you must provide strong evidence to support your case.

Your evidence must be provided by a professional body involved with the family or the child. The professional must be independent of both the family and the school and the evidence must relate specifically to the school for which the application is being made and must demonstrate clearly why it is the only school that can meet the child's needs.

You should not assume that your submission of the relevant evidence will be sufficient to allocate a place.

Evidence that is not provided by the closing date for applications or at an appeal will not be considered later and will not alter your place on the waiting list for the school.

### How are admissions to schools decided?

All applications are matched to an oversubscription criterion within the relevant admissions policy. Most Northumberland schools are County Council maintained schools but voluntary aided schools, trust schools, free schools and academies set their own admission arrangements with their own oversubscription criteria. Individual school admission arrangements can vary significantly to those of the Local Authority and so parents should read them carefully before applying for a place. Within each criterion every applicant is ranked according to home to school distance. Using each criterion sequentially places are offered until the year group is full.

You should not make four preferences for the **same** school. There is a high risk that you will be unable to obtain a place in a school near to your home, or in the case of out of county families you could be offered no school place at all.

You cannot assume that you will be offered your first preference school; in a few cases parents may find that none of their preferences can be offered.

You should list as many preferences as you are able (up to four) and one of these should be your catchment school.

### What is equal preference? How does it work?

The statutory 'Equal Preference System' is used to allocate school places. This means that:

- All preferences are initially looked at individually regardless of the order in which they have been ranked.
- The order that preferences have been ranked becomes important when it is possible to allocate a place for a child at more than one preferred school.
- In this instance a place will be offered at the available school you have ranked the highest.
- It is possible that applicant (A) who ranked a school as a lower preference, could be allocated a place ahead of other applicants who ranked the same school as a preference, if s/he (A) meets one of the higher oversubscription criteria.
- Where the child is not allocated a place at any of their preferred schools and is resident within another Local Authority, Northumberland Local Authority has no duty to allocate a place in another Northumberland school.
- Where the child is not allocated a place at any of the preferred schools and is resident in Northumberland, you will be offered a place at the nearest school with a place available.

### Which address will be used in determining my child's priority for admission?

The address of the parent with whom the child normally lives will be used in the allocation process. It is not possible to use an alternative address such as the address of the grandparents or a child minder.

In some cases, for example where shared parental living arrangements are in place, a child's address may be difficult to determine. In these circumstances the address used for child benefit purposes will normally be used, i.e. the address of the parent claiming the benefit. If that is not available, then the address on the NHS medical card can be used.

Unfortunately, a small number of parents each year try to secure a place for their child by either providing false information or withholding relevant information on residency or planned residency.

**In the case of oversubscribed schools all successful applicants may be asked to produce proof of residency, to willingly provide false information is fraud.**

**If a place is obtained on the basis of false information, such as an incorrect address, it will be withdrawn.**

### What are the arrangements for forces families moving into Northumberland?

The School Admissions Code allows admission authorities to make special arrangements for returning families as long as they are posted to Northumberland and the posting is supported by an official letter that declares a relocation date and a Unit postal address or quartering area address.

Where a forces family is moving into Northumberland of their own volition the normal admission arrangements apply.

### If I don't name my catchment school, will a place be kept for my child anyway?

If your catchment school is oversubscribed, places will be allocated to those who have applied for it. If you do not name the catchment area school on your application form, we cannot guarantee a place will be available should you be unsuccessful in obtaining a place at the other schools for which you have expressed a preference. In addition, you will also lose any possible entitlement to transport as set out in the County Council Home to School Transport Policy (this can be found on the Northumberland County Council website under 'Young People'). We advise that your catchment school is always included as one of your preferences.

### At what age can my child start school?

Admission is once a year on a full time basis in September if the child is four by **31 August 2020**.

### When is a child required to start school?

The School Admissions Code requires school admission authorities to provide for the admission of all children in the September following their fourth birthday. However, a child is not required to start school until they have reached compulsory school age following their fifth birthday. For summer born children this is almost a full school year after the point at which they could first be admitted.

## Deferred Entry

### What flexibility is there for parents who don't feel their child is ready to start school in the September following their fourth birthday?

Some parents may feel their child is not ready to start school in the September following their fourth birthday. You can decide that your child attends part-time until he/she reaches compulsory school age, or that the date your child is admitted to school is deferred until later in the same academic year. Your child must, however, start school full time in the term after its fifth birthday. If you would like your child to be considered for a deferred entry please complete and return the form by **31 December 2019** - [Deferred Entry Form](#)

**If I want to send my summer born child to school in the September after its fifth birthday, and I request that he/she enters the reception class, who is responsible for making this decision?**

The admission authority of the school makes the decision based upon the circumstances of each case according to the submission or relevant information.

**Entry into Reception is not guaranteed and your child may be required to enter his/her chronological year group eg Yr1.**

**If my child has a place in a pre-school setting linked to a first school or a primary school, will I get a guaranteed place in the Reception class of that school.**

No, you will need to apply for a school place in the reception class. Places will be allocated according to the school admissions policy for that school. You cannot be guaranteed a place.

**What factors might an admission authority take into account when considering a parental request for a summer born child to be admitted to a reception class in the September following their fifth birthday?**

Some of the factors to consider include:

- the needs of the child and the possible impact on them of entering year 1 without having first attended the reception class;
- in the case of children born prematurely, the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth;
- whether delayed social, emotional or physical development is adversely affecting their readiness for school;
- you may not be able to keep your child's place in its current pre-school setting for another year.

**I have been told that it is not lawful for a child to be admitted outside of their normal year group. Is this correct?**

The law does not prescribe the year group a child should be admitted to. There is no statutory barrier to children being educated outside their normal year group. The law does not prescribe the year group a child should be admitted to. You may apply for a year group outside of the normal year group but a school may refuse to accept your child. You may only appeal this decision if the school cannot offer a place in the normal year group.

**If I want my summer born child to be admitted to the reception class in the September following the fifth birthday, how do I go about arranging this?**

You should discuss this as soon as possible with the schools you are interested in applying for and the local authority. You need to make it clear that you wish to apply for a reception place a year later than the year into which your child could have been admitted. Summer born guidance is available as an appendix to this document on the NCC website [admissions.northumberland.gov.uk](http://admissions.northumberland.gov.uk).

**What should a parent do if they are unhappy with an admission authority's decision about which year group their child will be admitted to?**

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent admission appeal panel. You do not have a right of appeal if you have been offered a place but it is not in the year group you would like. For example, you are offered a Year 1 place but you would like a Reception place. However, you may make a complaint. All schools have a duty to consider complaints about the school and must have a published complaints procedure in place. Local authorities will also have a complaints procedure.

In the case of foundation and voluntary aided schools, academies and free schools, parents should make a complaint under the school's complaints procedure – because the governing body or academy trust is the admission authority. In the case of community and voluntary controlled schools, they should complain to the local authority – because they are the admission authority.

There are further routes of redress available to parents who are not happy with the way their complaint to the school or local authority has been handled. Please see the additional information provided at the end of this document.

**If a child is educated outside of their normal age group whilst in primary school, what happens when they move to secondary school?**

It will be for the admission authority of the secondary school to decide whether to admit the child out of their normal age group. Admission authorities must make decisions on the basis of the circumstances of each case, and will need to bear in mind the year group the child has been educated with up to that point

**If a child is educated out of their normal age group, when would they take their national curriculum tests (SATs)?**

Children are assessed when they reach the end of each key stage, not when they reach a particular age so they will not miss out on taking important examinations

**Where do I get an application form for admission to a First School or a Primary School from?**

Parents of children currently in Northumberland nurseries will receive information from the setting explaining that an application needs to be made.

Telephone enquiries should be made on 0345 600 6400

For online applications:

[https://schadm.northumberland.gov.uk/ccsenterprise\\_admissionsonline\\_live/](https://schadm.northumberland.gov.uk/ccsenterprise_admissionsonline_live/)

Preference forms for all children are also available from schools, School Admissions in County Hall, Morpeth or the County Council's website ([admissions.northumberland.gov.uk](https://admissions.northumberland.gov.uk)).

**What if I want my child to go to a school outside Northumberland?**

You must complete a Northumberland Common Application Form naming your out of county school and return it to the School Admissions Team, Wellbeing and Community Health Services Group, County Hall, Morpeth, NE61 2EF. We will then co-ordinate your application with the appropriate authority and let you know if they are able to offer your child a place.

**I live outside Northumberland. Which form should I complete, where do I send it and who will tell me if the application has been successful?**

**You should complete a form for the Local Authority area you live in.**

Your Local Authority will then give us a list of all children in their area applying for Northumberland schools. Your child's application will be on this list along with any others. We will let your Home Local Authority know whether we can offer your child a place. **Your Home Local Authority will write to you on Offers Day (16 April 2020)** to let you know if your application has been successful.

### **What is the closing date for applications?**

The closing date for applications is **15 January 2020**.

If you return your application after **15 January 2020** your application will be classed as Late unless exceptional circumstances exist. The Local Authority will consider your reasons, provided they are received before **14 February 2020**. If the LA considers your reasons are exceptional, your application will be considered along with those received on time. Examples of what may be considered as exceptional circumstances are a family who have just moved into the area (proof of ownership or tenancy agreement will be required). If your reasons are not exceptional then your application will not be processed until after **16 April 2020**. You should be aware that this will reduce your chance at gaining a place at the school you want.

### **What if my application is for another year group?**

Applications to other year groups in all First and Primary schools will be dealt with during the summer term.

### **What do I do if I feel I have exceptional grounds for a late application or change of preference?**

If you feel that there are exceptional reasons for this, please contact the School Admissions Team on 0345 600 6400.

### **What do I do if I move house after I have submitted my application?**

You will need to provide proof of purchase or residency before your child's record can be changed.

### **If my application is considered as a late application, what will happen?**

If your application is late and is not considered as exceptional, you will not be offered a place on 16 April 2020. This will be the case even if you live in the catchment area for the school. If you are a Northumberland resident you will get an offer on 30 April 2020.

### **When will decisions be made?**

You will be notified of the offer of a school place on **16 April 2020** either by email, if you applied online, or by letter if you made a paper application.

**Please do not contact the School Admissions team before 16 April 2020 regarding your allocation as they will be unable to give you an answer.**

### **If I apply for more than one school, will I be offered a place at each one?**

You can apply for up to 4 schools, but we will only offer a place at one of these schools. When it is possible to offer a place at more than one school, we will offer the school you have ranked highest. This is why we ask that you place the school you would most want your child to attend as number one.

### **My child has been offered a place at a school. What happens next?**

If you are happy to accept a place at the school offered to you, indicate this on the on-line portal (if you applied online). If you applied using a paper application simply return the tear-off slip on your offer letter to the school. The school will then contact you to let you know details of any planned visits and/or parents information meetings.

## **What can I do if my child does not get a place at the school I would like him/her to attend, can I appeal?**

Parents have the right to appeal. Admission appeals are heard by an independent panel, which will decide whether the effect of admitting additional pupils to a full year group is outweighed by the effect on the individual child of not being admitted into the school.

**An Appeal Panel cannot change the admissions policy or oversubscription criteria nor can it consider questions over the way in which the County Council organises its schools or the way the school organises its classes.**

The Panel is convened at the request of parents to consider the merits of their individual cases and its decision is binding on the school and the Admission Authority.

Appeals to First and Primary Schools may be subject to ‘**Infant Class Size Legislation**’ . Such appeals are difficult to win – refer to the paragraph below.

If your child has a Statement of Special Educational Needs and you are unsuccessful in gaining a place at your preferred school, it is the SEN Tribunal that hears the appeal. Parents of children with a Statement cannot appeal to the Admissions Appeal Panel.

Full details of appeal arrangements are available on the Council’s website. Following an unsuccessful appeal, the County Council will only consider a re-application for the same school during the same academic year when it is clear there has been a significant change in the circumstances of the case. Appeals must be lodged within 25 school days of receipt of the refusal letter.

**Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.**

## **What does Infant Class Size Legislation mean?**

Section 1 of the School Standards and Framework Act 1998 limits the size of an infant class (i.e. a class in which the majority of children will reach the age of 5, 6 or 7 during the school year) to 30 pupils with a single school teacher.

This means that appeal panels can only uphold appeals in very limited circumstances

Where a child has been refused admission to a school on infant class size prejudice grounds, an appeal panel must consider the following matters:

- a) whether the admission of an additional child/children would breach the infant class size limit;
- b) whether the admission arrangements (including the coordinated admission arrangements) complied with the mandatory requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998;
- c) whether the admission arrangements had been correctly and impartially applied in the case in question; and
- d) whether the decision to refuse admission was one which a reasonable admission authority would have made in the circumstances of the case.

**It is very difficult to win an appeal if your refusal is based upon ‘Infant Class Size Legislation’.**

### Can my child's name go on a waiting list?

If you are refused a place in a school your child's name will be placed automatically on a waiting list. If a place becomes available, it will be allocated using the oversubscription criteria. It is possible for your place on a waiting list to change when new requests for places are received.

Some Voluntary Aided schools, Trust schools and Academies keep their own waiting lists which you can request to be placed on.

### What if I am moving home in-year?

Parents sometimes move house during their child's time at school and should complete an In-Year Transfer form and return it to the School Admissions Team. Parents should note that the following schools are their own admissions authority for in-year admissions and parents should contact the individual schools directly: Morpeth Road Academy, Croftway Academy and Malvins Close Academy, Blyth, Bede Academy, Northumberland Church of England Academy.

When distance permits, parents often wish their child to continue in their present school in the interests of educational continuity. When the move means that the parents are no longer living within the designated catchment, the child may continue at the school. However, when the return travelling time is more than the recommended 90 minutes a day for pupils of First School age, 90 minutes a day for pupils of Middle School age or 150 minutes a day for pupils of High School age, parents are strongly urged to consider moving their child to a school nearer to their new home. This is because long travelling times can have a detrimental effect on a child's education and limits their ability to take part in after school activities.

Additionally, entitlement to home to school transport to the child's present school will discontinue if:

- The school is no longer the appropriate school (ie catchment school) for the new home address,
- or
- The school is not the nearest school for the new home address.
- or
- The school is not the nearest school for attending on denominational grounds,
- or
- The travelling times are greater than those set out above.

The cost of transport could therefore prove costly to parents if their child remains at their present school.

### Do I need to think about school transport?

School transport is explained in the Northumberland County Council Home to School Transport Policy which can be accessed via the County Council's school transport website. Generally speaking transport will only be provided to your catchment school or the school nearest to your home address and in accordance with statutory legislation, for example taking account of statutory walking distance.

All applications for free transport will be made using the latest Home to School Transport Policy in the context of the school system in the area at that time. This means that it is possible that younger siblings may not be eligible for transport costs in the same way as the older brothers or sisters. You are advised to check eligibility for transport before you apply.

**Further information can be found on the County Council website:**

**<http://www.northumberland.gov.uk/Education/Schools/School-transport-1.aspx>**  
**or you can contact the Home to School Transport Team for further advice.**

### If my child has a brother or sister in the school, will he or she be allocated a space at that school?

Not necessarily. Attendance at a school by an older brother or sister is only one of the factors taken into account when allocating places at schools that are oversubscribed. Parents need to consider that they may find themselves in the position of siblings attending different schools.

Parents are advised to check the admission arrangements for preferred schools.

### What if my child is unable to attend school?

There may be occasions when children are temporarily unable to attend school e.g. because of long-term illness or permanent exclusion. At such times the Education Welfare Service will liaise with schools and other involved agencies in order to make alternative educational arrangements.

### What if I want to educate my child other than at school?

Some parents may choose to educate their children other than at school. Often this means electing to educate a child at home. The County Council has a legal duty to ensure that children who are not educated at school do receive an education that is suitable to their age and needs. The County Council's Education Welfare Service fulfils this role. The service offer guidance and support to parents who are undertaking to educate their child other than at school. For a copy of the County Council's guidelines on Elective Home Education, please contact the Education Welfare Service, either by email at [educationwelfareservice@northumberland.gov.uk](mailto:educationwelfareservice@northumberland.gov.uk) or telephone: 01670 622800.

### What if I have a complaint about a school?

Each school has a complaints procedure, details of which can be requested from the Headteacher. The County Council also has a complaints procedure, details of which can be obtained by calling Wellbeing and Community Health Services Group 0345 600 640062. You can only use the County Council's complaints procedure if your complaint has not been addressed using the school's complaints procedure.

### Where do I send my application?

If you are a Northumberland resident you can post it to:

**The School Admissions Team, County Hall, Morpeth, NE61 2EF.**

**You can also apply online.**

**Do not return your application to your child's school. Your application may not be received by the closing date. It is your responsibility to make sure the application is received by the School Admissions Team.**

#### Things to watch for

**Dates** Do not miss the closing date for the common application form. Also check dates for any supplementary forms.

**Priority categories** If you think your child fits a particular priority category you must mention this on the form for it to be considered. Check what evidence you need to provide and provide it.

**Address** What proof of address will be needed? If parents live apart and a child spends part of the week with each, whose address can be used?

**Siblings** Check who counts as a brother or sister particularly if stepfamilies are involved.

**Medical or social need** You need supporting documentation from a doctor, psychologist, social worker or other professional third party.

**Supplementary forms** Some schools, particularly faith schools, have a supplementary form. This is an extra form for further information about things like church attendance. It does not replace the Local Authority's Common Application Form. Check where and when you need to send this and what evidence you need to provide.

#### IMPORTANT

If you live in another Local Authority area you should apply through your Home Local Authority.

# Admissions Policy for Northumberland County Council's Community and Voluntary Controlled Schools

## SECTION 4

## **Northumberland County Council Admissions Policy for Community and Voluntary Controlled Schools - 2020/21**

**These admission arrangements do not cover VA Schools, Trust Schools or Academies.**

Make sure you understand the admissions criteria fully before you complete the form and remember that circumstances can change from year to year, for example there may be an unusually high number of children living in the catchment area.

### **Admission to First/Primary Schools**

1. The County Council's admission arrangements reflect the requirements of the School Admissions Code which can be found on the DfE website.
- 1.1 Admission will be once a year on a full time basis in September if the child is four by 31 August 2019.
- 1.2 The County Council is obliged to admit all applicants to a particular school provided these do not exceed the school's Published Admission Number (PAN).
- 1.3 The Published Admission Number of each school for entry in September 2020 is published in the Admissions Handbook.

This publication will be available in September 2019 and can be provided by the School Admissions team on request. Full admission arrangements can be found on the Northumberland County Council website.

- 1.4 In accordance with the School Admission Code, children with a Statement of Special Educational need or an Education Health and Care Plan (EHCP) where the school is named in the Statement or EHC Plan will be given priority of admission.

In addition, those children who are deemed to be 'looked after' or who have previously been 'looked after' will be given priority of admission.\*\*

The priority order for considering the remaining applications is as follows:

1. Children living within the catchment area of the school and those on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admission date.
2. Children with an exceptional social or medical reason that means that they can only attend that specific school (for example, where the child or one or both parents has a disability that means that the child can only go to one school).
  - Strong supporting evidence must be provided from a professional body involved with the family or the child.
  - The professional must be independent of both the family and the school
  - The evidence must relate specifically to the school for which the application is being made and must demonstrate clearly why it is the only school that can meet the child's needs

No assumptions should be made that the submission of the relevant evidence will, in itself be sufficient to allocate a place.

***NOTE: Supporting evidence **must** be submitted at the time of application. If you apply online you must post your information to the School Admissions Manager by 15 January 2020. You will not be allocated a place under this criterion if you omit to send to the School Admissions Manager a written statement from a professional third party by 15 January 2020.***

3. Children resident in the greater catchment area of the school partnership who have siblings already in the school and who are expected to be on roll at the school at the time of admission. Evidence must be presented to confirm that the child will be living in the greater catchment area by the appropriate admission date.

***For the purpose of admissions siblings are deemed to be brothers and sisters, step brothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.***

4. Children resident in the greater catchment area of the school partnership. Evidence must be presented to confirm that the child will be living in the greater catchment area by the appropriate admission date.
  5. Children who have a sibling who already attends the school and who is expected to be on roll at the school at the time of admission.
  6. Children on whose behalf preferences are expressed on grounds other than those outlined above.
- 1.5 Parents may be asked to provide evidence of residency if the requested school is oversubscribed. The Local Authority reserves the right to withdraw a place at a school if information relating to address or any other matter is found to be false.
  - 1.6 Where there are more applications than places available, children from multiple births will be given priority within each criterion. If a further tie break is necessary distance between home and the school will be used to prioritise applications (see below).
  - 1.7 Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.
  - 1.8 Applications on behalf of children who are resident in other Local Authority areas will be considered in the same way as applications from Northumberland residents.
  - 1.9 Children with disabilities will be treated no less favourably than other applicants for admission. Schools are under a duty to make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage, and no child will be refused a place on the grounds of disability. A pupil has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.
  - 1.10 The County Council reserves the right to vary these criteria to take account of revisions to legislation or its interpretation by the courts.
  - 1.11 In cases when an application for a place has been unsuccessful, the child's name will be placed on a reserve list for the school in question under the appropriate Co-ordinated Scheme. Reserve lists will be maintained until the end of the school year to which they relate.
  - 1.12 Those parents whose application to a school has been unsuccessful will be notified of their right of appeal to an Independent Appeal Panel. The School Standards and Framework Act 1998, gives this right to all parents whose application for a school has been unsuccessful. The decision of an Appeal Panel is binding on both the Admission Authority and the school. The School Admissions Appeals Code can be found on the DfE website at: [www.gov.uk/dfes](http://www.gov.uk/dfes).

## Definitions used under the policy

'Parents' include all those people who have a parental responsibility\* for a child as set out in the Children's Act 1989. Where responsibility for a child is 'shared', the person deemed to be the person responsible for completing the application is the person receiving Child Benefit and whose address will be used for admission purposes.

\*Parental Responsibility, unless otherwise determined by a court order:

- Mothers automatically have parental responsibility.
- Fathers also have parental responsibility if the father is married to the mother at the time of the child's birth. This continues after any divorce/separation/remarriage even if the child lives apart from them.
- An unmarried father can obtain Parental Responsibility by:
  - marrying the mother
  - having his name registered or re-registered on the birth certificate if his name is not already registered\*\*
  - entering into a Parental Responsibility Agreement with the mother
  - obtaining a Parental Responsibility Order from the court

- having obtained a Residence Order prior to 22.4.2014
- by being named as the resident parent under a Child Arrangements Order
- becoming the child's guardian on the mother's death

**\*\***The law has changed so that unmarried fathers who registered or re-registered their name on their child's birth certificate *after* 1st December 2003 will have Parental Responsibility for their child.

Therefore:

- If an unmarried father has a child after 1st December 2003 and he is registered on the birth certificate he **WILL** have Parental Responsibility.
- If a child's birth was registered before 1st December 2003 and the father was not named on the birth certificate, the birth can be re-registered to include the father's name. Once this has been done, the father **WILL** have Parental Responsibility.\*
- If an unmarried father's name is already on the birth certificate and the child was registered before 1st December 2003, the law has not changed this situation so the father **WILL NOT** have Parental Responsibility. (Unless obtained by other means).

In case of dispute between parents, where more than one parent has parental responsibility and they do not agree to an application being made to a particular school, a temporary school place will be offered until any dispute is resolved by both parents as a personal matter.

**'Siblings'** are deemed to be brothers and sisters, step brothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.

**\*\*** Minister of State for School Standards intends to amend the School Admissions Code but in the meantime, he asks that children adopted from care outside of England are given the second highest priority for admission in oversubscription criterias. Once the code has been updated, admission authorities will have the opportunity to consult upon and publish any formal changes

## **2. Publication of the Local Authorities Information for Parents (2020/2021) booklet**

The Information for Parents publication for September 2020 entry will be available from the beginning of **September 2019**.

# Admissions Policies for Voluntary Aided and Foundation Schools, Trust Schools and Academies

## SECTION 5

## Types of school

The admissions authority is the official body which decides the rules on how children will get a place at the school and who is offered a place. **The headteacher is not part of the admissions authority and plays no part in deciding admissions to the school.** Different types of school have different admission authorities.

Type of School	Admissions Authority
Community	Local Authority
Voluntary Controlled	Local Authority
Voluntary Aided	Governors
Foundation/Trust	Governors
Academies	Academy Trust

All parents **must** complete an application for a place in a Reception class even if your child attends the school nursery or pre-school setting. Attendance at a nursery/setting does not guarantee a place at the school.

The admission policy for each school is important. You should check the admissions criteria for each school that you are considering for your child to see what level of priority you have. If a school has been consistently oversubscribed and you have a low priority you should think seriously about the likelihood of your child being allocated a place there.

**Please note that priority for admission must be given to children who are currently, or have ever been , in the care of the Local Authority (Looked After Children) and those with a Statement of Special Educational Needs or Education Health Care Plan which names the school.**

**The policies produced in the following pages are not the full policies for schools. For the complete school policy contact the school(s) you are electing as your preference.**

**The following Academies/Trust Schools have decided to use the Northumberland County Council Admissions arrangements (Page 25) for the September 2020 intake:**

Prudhoe West Academy, Adderlane Academy, Shaftoe Trust Academy and Haltwhistle Academy

However, academies will make the decision about which children to admit in accordance with these arrangements

Some of the above schools require an additional form giving further details eg religion,, which will enable them to correctly apply their criteria. You should contact your chosen school to ask whether an additional form is required. This form does not replace the Local Authority's Common Application Form.

**It is the parents responsibility to provide the evidence requested to the school by the closing date of 15 January 2020.**

## **St. Paul's RC VA Primary School, Alnwick**

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to the reception year in the school year which begins in September 2020.

### **Pupils with an Education, Health and Care Plan**

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

### **Oversubscription Criteria**

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

*First priority in each category will be given to children who will have an older sibling attending the school in September 2020.*

1. Catholic looked after and previously looked after children
2. Catholic children who are resident in the parishes of St. Paul's, The Sacred Heart and St. Cuthbert, St. Mary's, St. Aidan's, St. Thomas of Canterbury, St. Ninian's.
3. Other Catholic children.
4. Other looked after and previously looked after children
5. Catechumens and members of an Eastern Christian Church.
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader.
7. Children of other faiths whose membership is evidenced by a minister or a faith leader.
8. Any other children

### **Tie-breaker**

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured in a straight line (as the crow flies) from the front door of the child's address (including flats) to the main entrance of the school, (using the Local Authority's computerised measuring system) with those living closer to the school receiving the higher priority. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

### **Waiting Lists**

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

### **Appeals**

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

## St Michael's C of E Primary School

The governing body of St Michael's Voluntary Aided Church of England School is the admissions authority for the school and they intend to admit up to 30 pupils to the reception year group in **September 2020**. This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area.

The school is open to receive applications for admissions from the parents of all children. We must give priority to children in the care of the local authority (children looked after), children who were previously looked after, but were then adopted (or became subject to a residence order or special guardianship order) and those with special educational needs, which names the school.

In the event of the number of applications exceeding the number of places available priority will be given to applications in the order of priority indicated below:

### **Over-subscription Criteria**

1. Children who are in the care of the Local Authority (see notes), or have previously been looked after by a Local Authority (including children subject to adoption, residence of special guardianship).
2. Children with a sibling at the school at the time when they would be admitted to the school (including step and foster siblings).
3. Children of parents worshipping regularly and frequently at the Parish Church of St. Michael.
4. Children of parents worshipping regularly and frequently in another Christian Church who wish their child to attend this school because of its Christian foundation.
5. Children of parents of other faith groups worshipping regularly and frequently who wish their child to attend this school because of its Christian foundation.
6. Children who have special medical needs or other special circumstances, (supported by medical/professional opinion)
7. Children currently in St Michael's CE School Nursery.
8. Children who live in the catchment of St Michael's Primary School.
9. Children who live in the Parish of St. Michael and St Paul .
10. Other children.

### **Tie Breaker**

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose home address is nearest to the school when measured as the crow flies from the front door of the child's home address to the main gate of the school using the local authority's computerised measuring system.

### **Waiting List**

The school office will maintain a waiting list of applicants until 31 December each year. In the event of a place becoming available in the appropriate class during this time and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

### **Appeals**

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

## St. Aidan's RC Primary School

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to the reception class in the school year which begins in September 2020.

*First priority in each category will be given to children who will have an older sibling attending the school in September 2020.*

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the parishes of St Aidan's, Ashington.
3. Other Catholic children
4. Other looked after and previously looked after children.
5. Catechumens and members of an Eastern Christian Church
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader.
7. Children of other faiths whose membership is evidenced by a minister or faith leader.
8. Any other children

### **Tie-breaker**

The school is open to receive applications for admissions from the parents of all children. We must give priority to children who are currently or who have ever been in the care of local authority (looked after children) and those with special educational needs whose statement or Education, Health and Care Plan (EHCP) names the school. ### **Waiting List**

The school office will maintain a waiting list of applicants until 31 December in each year. In the event of a place becoming available in the appropriate class during this time and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

## Corbridge C of E First School

The Governing Body of Corbridge Church of England First School is the admissions authority for the school and they intend to admit up to 30 pupils to the reception year group in September 2020. This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area.

### Over-subscription criteria

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming Corbridge Church of England First School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

- 1 Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order.
- 2 Children previously in state care outside of England. This refers to children who were previously in state care outside of England, and have ceased to be in state care as a result of being adopted.
- 3 Children who have exceptional medical or social needs that make it essential that their child attends our school rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
- 4 Children with a normal home address in catchment area and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school
- 5 Children with a normal home address in catchment area .
- 6 Children with a normal home address outside the catchment area (see map) and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.
- 7 Other children.

### Tie breaker

Proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 7 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

### Waiting List

The school maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The school periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year

### Appeals

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

## **Morpeth All Saints C of E Aided First school**

The Governing Body of Morpeth All Saints Voluntary Aided Church of England School is the admissions authority for the school and they intend to admit up to 45 pupils to the reception year group in September 2020/21. This arrangement follows consultation between the governing body, the Local Authority, all other schools in the area and all other Admission Authorities in the area.

The school is open to receive applications for admissions from the parents of all children. By law no infant class may contain more than 30 children. Children with a Statement of Special Educational Need or with an Education, Health and Care Plan (EHCP) which names the school will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

### **Over-subscription Criteria**

1. Looked after children or children who were previously looked after and were then adopted (or became subject to a residence order or special guardianship order) and children adopted from care outside of England.
2. Children previously in state care outside of England. This refers to children who were previously in state care outside of England, and have ceased to be in state care as a result of being adopted.
3. We must give priority to those with a Statement of Special Educational Needs or Educational Healthcare Plan which names the school.
4. Children who live in the parishes of Morpeth, Mitford, Hartburn, Netherwitton and Meldon.
5. Children with a brother or sister at the school at the time when they would be admitted to the school.
6. Children who have exceptional medical or social needs that make it essential that their child attends Morpeth All Saints CE Aided First School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
7. Children whose parents have chosen the school because of its Christian foundation.
8. Other children by distance from the school with priority for admission given to children who live nearest to the school as measured by using Ordnance Survey data to plot an address in this system. Distances are measured from the main entrance to the child's home to the main entrance of the school as specified in the school information pack.

### **Tie Breaker**

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor using the Local Authority's computerised measuring system with preference given to those whose home address is nearest to the school when measured in a straight line (i.e. as the crow flies) from the front door of the child's home address to the main gate of the school. Random allocation will be used as a tie-break to decide who has the highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified.

### **Waiting List**

The school office will maintain a waiting list of applicants until 31 December each year. In the event of a place becoming available in the appropriate class during this time and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

### **Appeals**

Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

## St Robert's RC VA First School, Morpeth

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body has set its admission number at 30 pupils to be admitted to the reception class in the school year which begins in September 2020.

### Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

### Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

*First priority in each category will be given to children who will have an older sibling attending the school in September 2020.*

1. Catholic looked after and previously looked after children
2. Catholic children who are resident in the parishes of St Robert of Newminster and St Thomas of Canterbury, Longhorsley
3. Other Catholic children

5. Catechumens and members of an Eastern Christian Church

7. Children of other faiths whose membership is evidenced by a minister or faith leader.
8. Any other children

### Tie-breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured in a straight line (as the crow flies) from the front door of the child's address (including flats) to the main entrance of the school, (using the Local Authority's computerised measuring system) with those living closer to the school receiving the higher priority. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

### Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

### Appeals

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

In the event of the number of applications exceeding the number of places available priority will be given to applications in the order of priority indicated below.

### **Waiting List**

The school office will maintain a waiting list of applicants until 31 December each year. In the event of a place becoming available in the appropriate class during this time and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

If there are more applications than places available then the Governors will apply the oversubscription criteria as outlined below:

- 2 Catholic Children whose home address is within the catchment area served by the school.

- 8 Any other children.

### **Tiebreaker**

For the primary schools who serve a more local community the tie breaker is distance.

### **Waiting Lists**

If the school has reached its admission number a Waiting List will be maintained from 1st May 2020. Any parent can request that their child be placed on the waiting list. Children will be placed on the waiting list according to the oversubscription criteria. The date of application, and the date the child is placed on the list, will not be used in any selection process. The school will continue to maintain the waiting list during the corresponding school year and outside the normal year of entry. Pupils who are allocated a place at the school under the Local Authority's Fair Access Protocol must take precedence over all those on the waiting list. Inclusion on the school's waiting list does not mean that a place will eventually become available.

### **Appeals**

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

- Looked After children and children who were previously looked after.
- Children who have special medical needs or other special circumstances that make it essential that their child attends this school rather than any other, (supported by appropriate written evidence from the professional person involved with the family).
- Children with a sibling at the school at the time when they would be admitted to the school.
- Children of parents worshipping at the Parish Church of St Lawrence.
- Children whose normal home address is in the Parish of Warkworth and Acklington.
- Children of parents worshipping in another Christian Church (other churches of the Christian tradition within the catchment area e.g. URC, RC & Methodist) who wish their child to attend this school because of its Christian foundation.
- Other children

### **Tie Breaker**

Where there are places available for some but not all applicants within a particular criterion proximity of the child's home, as measured by the straight line distance between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 8 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

### **Waiting List**

The school office will maintain a waiting list of applicants. In the event of a place becoming available in the appropriate class during the year and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

### **Appeals**

There are established arrangements for appeals against non-admission. Details are available from the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September—31 August, unless there has been a material change in circumstances, for example a change of address.

## Whalton C of E Aided Primary School

The Governing body of Whalton C of E Aided First School is the admissions authority for the School and they intend to admit up to 10 pupils in the reception year group in September 2020. If the School has not reached its maximum number of 70 pupils the Governing Body may consider additional applications. This arrangement follows consultation between the governing body the Local Authority, all other schools in the area and all other admissions authorities in the area.

The school is open to receive applications for admissions from the parents of all children. We must give priority to children who are currently or who have ever been in the care of the local authority (looked after children) and those with special educational needs whose statement of special educational needs or Education, Health and Care Plan (EHCP) names the school. By law no infant class may contain more than 30 children. In the event of the number of applications exceeding the number of places available at any one time, the selection criteria will be applied in the order of priority below: -

1. Looked after children, but also to children who were previously looked after, but were then adopted (or became subject to a residence order or special guardianship order).
2. Children residing within the Local Authority defined catchment area of the School.
3. Children residing within the Ecclesiastical parish of Whalton, giving preference to children with parents who worship regularly (at least once a month) at St. Mary Magdalene, Whalton.
4. Children whose parents are regular worshippers (at least once a month) at another C of E church.
5. Those children with a brother or sister at the School at the proposed date of admission.
6. Children of parents of another faith who wish their child to attend this School because of its Christian foundation.
7. Other children.

### Tie Break

In the event of more than the allowable number of children meeting the selection criteria at the intake threshold, priority will be given to those children who live nearest to the School as the crow flies from the front door of the child's home address to the main gate of the school, using the Local Authorities computerised measuring system. In the event of children living equidistant from the School, lots will be drawn.

### Waiting List

The School office will maintain a waiting list of applicants. In the event of a place becoming available in any class during the school year and there being more applicants on the waiting list than places available, the selection criteria above will apply. This list will be kept until 31 December.

### Appeals

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

## Whitley Chapel CE Primary School

This is a summary of the Admission Policy for Whitley Chapel CE First School for entry into the school for the school year beginning September 2020.

The admission number for entry into the reception year in September 2020 is 10.

The school is open to receive applications for admissions from the parents of all children. We must give priority to children in the care of a local authority (Looked After Children) and those with a Statement of Special Educational Needs or Education, Health and Care Plan (EHCP) which names the school. In the event of the applications exceeding the number of places available priority will be given to applications in the order of priority indicated below.

1. Children who are who are currently or who have ever been in the care of a Local Authority (Looked After Children)
2. Children who have special educational or medical needs or other special circumstances, (supported by medical/professional opinion)
3. Pupils residing within the catchment area of the school and those on whose behalf firm evidence is presented that they will be resident in the catchment area by the appropriate admission date
4. Pupils on whose behalf evidence of exceptional medical or social need is presented. This will normally have to be supported by a professionally involved third party. A letter from a doctor will be required if the request is made on medical grounds
5. Pupils who have an older brother or sister who already attends the school and who is expected to be on the roll at the school at the time of admission
6. Pupils on whose behalf preferences are expressed on grounds other than those outlined above

### **Tie-breaker**

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose home address is nearest to the school, when measured in a straight line i.e the distance between the home front door and the school main door as the crow flies.

### **Waiting List.**

A waiting list will be maintained by the Local Authority until 31 December.

### **Appeals**

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

## Whitley Memorial CE Voluntary Aided First School

The governing body are the admissions authority for the school. Governors have made every effort to ensure that these arrangements comply with the School Admissions Code 2014 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming Whitley Memorial CE First School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order.
2. Children previously in state care outside of England. This refers to children who were previously in state care outside of England, and have ceased to be in state care as a result of being adopted.
3. Children with a normal home address in the school catchment area (See map attached) and with a sibling (see Note 5) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as the sibling.)
4. Children with a normal home address outside the school catchment area and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as the sibling.)
5. Children with a normal home address in the school catchment area.
6. Children of parents worshipping regularly and frequently at the parish church of St Cuthbert, Bedlington.
7. Children of parents worshipping regularly and frequently at another Christian church who wish their child to attend this school because of its Christian foundation.
8. Children who have exceptional medical or social needs that make it essential that their child attends Whitley Memorial CE First School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
9. Other children who do not fall within the oversubscription criteria, ranked by distance from the school, with priority given to children who live nearest to the school as measured by using the LA's computerised measuring system. Distances are measured in a straight line, 'as the crow flies', from the main entrance of the child's home to the main entrance of the school.

### Tie Breaker

Proximity of the child's home, as measured by using the LA's computerised measuring system, in a straight line distance, 'as the crow flies', between the home and the school with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria 1 to 9 should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

## **Waiting List**

The LA maintains waiting lists for those children who are not offered a place, and the parents ask for the child's name to be added to the waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription, and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. The LA periodically seeks confirmation that parents wish a child to be kept on the waiting list. Waiting lists will be maintained until 31 December of the admission year.

## **Appeals**

If an application is turned down an explanation will be provided based on the selection criteria. Parents who are refused a place have a statutory right of appeal. There are established arrangements for appeals against non-admission. Further details of the independent appeals process are available by writing to the Chair of Governors of the school, including the date by which an appeal should be submitted. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address which results in a move from outside the catchment area to inside it.

## TRUST SCHOOLS

### Ashington Learning Partnership Trust

The Governing Body of the Ashington Learning Partnership (ALP) is the Admissions Authority of the ALP. All admissions are determined by the Governing Body in accordance with criteria outlined below.

The Governing Body intends to admit up to the Planned Admission Number in each year group as follows:

<b>Central Primary School</b>	90* 156 48	Years R-6 Nursery 2-year-olds
<b>Bothal Primary School</b>	90 104 40	Years R-6 Nursery 2-year-olds

*\*Following the decision of the Schools Adjudicator reduced from 120 to 90.*

The admissions policy criteria will be applied on an equal preference basis. When a school is oversubscribed, priority for admissions will be given as follows:

In accordance with the School Admissions Code children with a Statement of Special Educational Need or an Educational Healthcare Plan (EHCP), where a school is named in the statement or EHCP, will be given first priority. Additionally children who are deemed to be 'looked after' or who have previously been 'looked after' in the care of a local authority will be given priority of admission.

1. Pupils attending another school within the ALP.

This **does not include** our Nurseries at Central Primary School and Bothal Primary School.

2. Pupils who have a sibling already attending another school in the ALPT (Reception to Year 6) or who will be attending on the expected admission date.

For the purpose of admission, siblings are deemed to be brother and sisters, step brothers and sisters, adopted brother or sisters and other children who reside permanently in the household and are treated as siblings. As a tie breaker multiple births will be treat as one admission.

3. Pupils who reside within the catchment area of the school for which they are applying, or where firm evidence can be provided that they will do so by the proposed admission date.

Parents will be asked to provide evidence of residency if the requested school is oversubscribed. Evidence will comprise of the child's birth certificate and Utility Bill dated within 3 months of application. In the case of a false address being submitted any offer of School place will be withdrawn. If there are any children with identical dates of birth the child living nearest to the school will be given preference.

**Please note** that where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday - Friday) during term time. Where there is a clear 50/50 split parents should decide.

4. Children eligible for the Early Years, the Pupil Premium or who have been in the last 6 years.

In order to give priority in our criteria for EYPP the pupil must attend the nursery attached to the primaries in the SLP.

5. Children of UK Service Personnel who have been in receipt of service.

For families of service personnel with a confirmed posting to the ALP's catchment area, or crown servants returning from overseas to live in the ALP's catchment area, we will:

a) allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.

6 Children of staff in the Ashington Learning Partnership

Priority will be given to children of staff in the following circumstances:

a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, or

b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

7. Pupils with exceptional medical or social needs supported by evidence that specifies the school applied for.

Evidence must be a written statement by a professionally involved third party such as a Doctor or Social Worker. This written statement must be submitted at the time of application and will be treated confidentially.

8. Applications from children who meet none of the criteria above.

The criteria will be applied to the best of our ability using information provided by the Local Authority, staff local knowledge where available and from information provided by parents / carers using the Supplementary form or Annex A.

The ALP welcomes applications from all pupils and we are obliged to admit all pupils provided our PANs are not exceeded. However, where there are places available for some but not all applications, the following 'tie breaker' will be applied:

- Distance from the front door of the child's home to main gate of the school site they have applied for will be the deciding factor with preference being given to those whose home address is nearest as measured in a straight line ('as the crow flies'). The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement. Catchment areas for the schools may be viewed at <http://map.northumberland.gov.uk/schools/>

Children with disabilities will be treated no less favourably than other applicants for admission. Schools are under a duty to make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage, and no child will be refused a place on the grounds of disability. A pupil has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Parents should note that the two primary schools should be treated as separate for the purposes of admissions applications although a place will normally be offered within the ALP if one is available.

In cases where an application for a place has been unsuccessful, parents may request that the child's name be placed on a waiting list for the school in question. Waiting lists can only apply to transfer year groups; Reception and Year 7 and will only be maintained until 31st December of the year in question. A place on the waiting list does not affect your right to appeal.

## BEDE ACADEMY

---

### Primary Years (Reception to Year 6)

The Academy operates alongside Northumberland Local Authority and the National Guidelines on Admissions and Appeals, although Bede (and not the Local Authority) is the Admissions Authority for entrance into the Academy and is responsible directly to the Department for Education for all Admissions and Appeals.

Places are offered to prospective Reception students at the same time as places are allocated within all other Northumberland schools. This is co-ordinated between the Academy and the Local Authority but all queries and appeals are handled by Bede Academy directly. The Published Admissions Number for Reception is 90. Applications for admissions are to be made directly to Northumberland County Council on the appropriate Common Application form. A supplementary information form is also required to be completed and returned directly to Bede Academy.

After the admission of pupils with Statements of Special Educational Needs or Education, Health and Care (EHC) plan for whom Bede Academy is named on the statement entry will be allocated in the following order priority:

- **Looked After Children (in public care) and previously Looked After Children**
- **Children on whose behalf written evidence of exceptional medical or social need is presented, such as evidence being supplied by a professionally involved third party and must set out the particular reasons why the Academy is the most suitable school.**
- **Children of staff where the member of staff is filling a post for which there is demonstrable skill shortage.**
- **Children who have a sibling(s) who will be in Year Reception to Year 6 on the Academy roll at the time of admission.**  
*Siblings are recognised as brothers, sisters, half-brothers, half-sisters, step-brothers and step-sisters who reside permanently in the same household.*
- **Children who live in the published catchment area for the Academy**  
*Where a child lives at more than one address, the main address will be deemed to be that of the parent receiving the Child Benefit payment. The catchment area map is available to view on our website.*
- **Children who are eligible to receive the 'service premium' under section 14 of the Education Act 2002 for the purposes of supporting the pastoral needs of the children of Armed Forces personnel.**
- **Children, on the basis of the closeness of their home's front door to the front gate of Bede Academy, Curlew Way, measured by walking in the shortest possible line without entering private property.**

*Walking distance must be along a safe walking public route, which does not include private short cuts or walk across open ground where there are no public rights of way. A safe walking route is defined as being paved/tarmacked and lit at regular intervals.*

### Appeals

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

## NCEA Bishop's Primary School

The Northumberland Church of England Academy is the Admissions Authority and follows the Northumberland County Council admissions procedures for admission to the school and intend to admit up the planned admission number of 210 . The school will comply with the School Admissions Code issued by the Department for Education in December 2014.

Arrangements for applications for places at the school will be made in accordance with the local authority's (LA) co-ordinated admission arrangements and will be made on the Common Application Form (CAF) provided and administered by the LA.

The school will admit up to

Priority is also given to those children with a statement of special educational needs or Education, Health and Care Plan (EHCP), which names the school.

### **Oversubscription Criteria**

Where the number of applications for admission to Bishop's Primary School is greater than the published admission number (PAN) for that year group, applications will be considered against the criteria set out below:

The criteria will be applied in the order in which they are set out below:

1. Children who are 'looked after' or were previously 'looked after' under the provision of the Children Act 1989 and School Admissions Code December 2014.
2. Children who already have a sibling at the school and are living within the catchment area, and who can provide firm evidence that this will be the case on the appropriate admission date. Sibling is defined as a brother or sister, a half brother or sister, a step brother or sister or the child of the parent/carer's partner where the child for whom the school place is being sought is living at the same address. For children who live at two addresses the criteria apply to the address where the child spends the majority of their time.

[N.B. This criterion does not include younger siblings who are or will be in the Nursery at the same time.]

3. Children living in the catchment area of the school and who can provide firm evidence that this will be the case on the appropriate admission date.
4. Children on whose behalf evidence of exceptional medical need is presented. Evidence must be supported in a written statement by a professionally involved third party, for example, a doctor. The supporting evidence should be submitted at the time of application and should set out the particular reasons why the school provision is the most suitable provision and the difficulties that would be caused by the child attending an alternative provision.
5. Children who already have a sibling at the school and are living outside the catchment area. Sibling would include a brother or sister, a half brother or sister, a step brother or sister or the child of the parent/carer's partner where the child for whom the school place is being sought is living at the same address. For children who live at two addresses the criteria apply to the address where the child spends the majority of their time.

[N.B. This criterion does not include younger siblings who are or will be in the Nursery at the same time.]

6. Children living outside the catchment area of the school.

## **Multiple Births**

Where there are more applications than places available, children from multiple births will be given priority within criteria 2, 3, 4 & 5 above and treated together as a single group.

## **Waiting Lists**

If you are unsuccessful in being allocated a place at Bishop's Primary School for September 2020 you will be placed on our waiting list. This list is ranked according to the same criteria as those used for admissions. You will be asked to notify us that you wish to be held on this list and will be contacted directly a place is available.

## **Appeals**

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents may appeal against the decision not to offer a place and must do so in writing to the Governing Body of the NCEA Trust within 14 days of being notified that they have not been offered a place at Bishop's Primary School. An independent appeal panel will hear the appeal.

## **Cramlington Village Primary School**

### **Admission to Reception in September 2020**

#### **Agreed admissions number**

The school will admit 30 pupils to reception in 2020-21

#### **Children with Education and Health Care Plans (EHCP)**

Cramlington Village Primary School will admit any pupil whose plan names Cramlington Village Primary School and for whom the school has agreed to be named in the plan.

#### **Oversubscription criteria**

If there are more applicants than places, places will be offered in accordance with the following criteria in order of priority:

1. Looked After Children. Children who are looked after, or who have been previously looked after, by a local authority in accordance with Section 22 of the Children Act 1989 at the date the relevant application for admission is made, and who the local authority has confirmed will continue to be looked after by it in accordance with the said section at the time they are admitted to the school.
2. Pupils with exceptional medical or exceptional social need (evidence must be supported in a written statement by a professionally involved third party, such as a doctor or a social worker). Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice, explaining why these needs can realistically only be met by Cramlington Village Primary School. The definition of what constitutes medical or social needs for this purpose will be set out in the school's prospectus.
3. Pupils whose parents are regarded as 'founding members' and who continue to be actively involved in the leadership of the school at the start of term in September 2020.
4. Pupils who, on the date of admission, will have a sibling already enrolled in the school. (For the purpose of admissions siblings are deemed to be brothers and sisters, stepbrothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.)
5. Priority for 5 of the remaining places per class, will be given to children who are entitled to free school meals at the time of application and who have successfully applied to the Local Authority and who have received written confirmation of their child's entitlement to free school meals. This amounts to 16% of the overall intake per class, in line with the average for the town. These places will be awarded by random allocation at a meeting monitored by an independent adjudicator.
6. After places have been filled using the criteria above any remaining places will be awarded by random allocation to pupils within a 10-mile radius of the school entrance doors at a meeting monitored by an independent adjudicator.
7. Where applications are received from twins, triplets or same-year siblings, the following procedure will be followed. If one child is selected for a place the twin/triplet/same-year sibling will automatically be selected. If school places are oversubscribed the family name will be entered into the list available for random allocation rather than individual children's names because when one child is allocated a place it automatically secures a place for the other child(ren).

## **Reserve list**

In addition to the right to appeal, unsuccessful applicants will be offered an opportunity to be placed on the reserve list. The order of the reserve list will be determined in accordance with the order determined by the over-subscription criteria.

The reserve list will be maintained until 31st August 2020.

Vacancies arising between the offer day and the 31st August 2020 will in the first instance be offered to applicants on the reserve list.

## **Waiting lists**

On 1st September 2020 applications on the reserve list will be placed on the waiting list. All applications on the waiting list will be considered for any vacancies occurring during the period between 1st September and 31st December 2020 in accordance with the admission criteria.

## **Appeals**

Parents whose applications for places are unsuccessful will be given an opportunity to appeal against the decision to an Independent Appeal Panel set up in accordance with the statutory provisions in force at the time.

The appeal panel will be independent of Cramlington Village Primary School. The determination of the Appeal Panel is binding on all parties. The school shall prepare guidance for parents about how the appeals process will work and provide parents with a named contact who can answer any enquiries parents may have about the process. The school may, if it chooses enter into an agreement with the Local Authority or any other organisation to recruit, train and appoint Appeal Panel members and to arrange for the process to be independently administered and clerked. Full details will be sent to parents with the decision letters.

## WEST TYNE FEDERATION

This arrangement follows consultation between the governing body, the LA, all other schools in the area and all other Admission Authorities in the area.

The school is open to receive applications for admissions from the parents of all children. We must give priority to children in the care of the local authority (looked after children) and also to children who were previously looked after, but were then adopted (or became subject to a residence order or special guardianship order). Priority is also given to those children with a statement of special educational needs or Education, Health and Care Plan (EHCP), which names the school.

6. Other children.

### **Tie Breaker**

Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. The distance checker is contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement .

### **Waiting List**

The school offices will maintain a waiting list of applicants until 31 December each year. In the event of a place becoming available in the appropriate class during the year and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

### **Appeals**

Voluntary Aided Schools, Foundation Schools, Trust Schools and Academies organise their own appeals. Parents should contact the school for information on how to appeal for a place in those schools.

6. Other children.

### Tie Breaker

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose home address is nearest to the school, when measured in a straight line (i.e. as the crow flies) from the front door of the child's home address to the main gate of the school using the Local Authority's computerised measuring system.

### Waiting List

The school offices will maintain a waiting list of applicants until 31 December each year. In the event of a place becoming available in the appropriate class during the year and there being more applicants on the waiting list than places available, the selection criteria and tie breaker indicated above will apply.

## Croftway Academy

2020/2021

The Trust Board of WISE Academies will be the Admission Authority for this academy. The Planned Admission Number to the reception year group in September 2020/2021 for this Academy is 60.

The Academy is open to receive applications for admissions from parents of all children. All applications for admission to the Academy for September 2020/2021 will need to be made to the Local Authority on its common application form.

Priority for admission must be given to:

1. Children with Statements of Special Educational Needs or an Education Health Care plan where the school is named in the statement or plan.
2. Children in the care or previously in the care of a Local Authority ("Looked After Children" and "Previously Looked After Children").

As the Academy Trust will be the admission authority, it will reserve the right, in the event of over-subscription, to apply the selection criteria outlined below in order of priority.

- a) children on whose behalf written evidence of exceptional medical or social need is presented, such evidence being supplied by a professionally involved, independent third party and which must set out the particular reasons why the Academy is the most suitable school;

No assumptions should be made that the submission of the relevant evidence will, in itself be sufficient to allocate a place.

**NOTE: You will not be allocated a place under this criterion if you omit to send to the Local Authority School Admissions Manager a written statement from a professional third party by 16 January.**

- b) children who have attended the nursery at the Academy in the preceding academic year<sup>3</sup>;
- c) children who have a sibling(s)<sup>4</sup> who is already in the Academy;
- d) children who live in the published Catchment Area<sup>5</sup> for the Academy;

Should it prove necessary, because places are limited, to distinguish between children in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') when measured from the front door of the child's home address<sup>6</sup> to the main gate of the school. Distance measures will be undertaken using the Local Authorities computerised Geographical Information System (GIS). This measures a straight-line measure from the front door of the home to main gate of the school. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.

Parents will have the right to an independent appeals panel if you are not happy with the outcome of your admission application. Appeals will be carried out in accordance with the Admission Appeals Code. Any decision of the independent appeals panel will be binding on all parties. Appeals should be directed to The Secretary to the Trust, WISE Academies Head Office, Borodin Avenue, Sunderland SR5 4NX.

## Meadowdale Academy

At Meadowdale Academy, we welcome all pupils, irrespective of faiths, cultures, races, disabilities or family backgrounds.

The school will have a published admission number (PAN) of 30 places in each year group from Reception to Year 6 as a newly formed primary.

The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The main point of entry from 2020 will be Reception.

As a middle school transitioning to primary, PAN numbers in Year's 5 and 6, 7 and 8 will initially exceed 30 as existing pupils continue their learning journey during the transition process.

### **Oversubscription criteria**

The criteria in this section apply to entry at all phases of the school. The Academy is obliged to admit all applicants to the school provided these do not exceed the school's Published Admission Number (PAN). When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.
2. Children who appear to Northumberland County Council to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
3. Children with an exceptional social or medical reason that means that they can only attend that specific school (for example, where the child or one or both parents has a disability that means that the child can only go to one school).

Strong supporting evidence must be provided from a professional body involved with the family or the child.

The professional must be independent of both the family and the school

The evidence must relate specifically to the school for which the application is being made and must demonstrate clearly why it is the only school that can meet the child's needs

No assumptions should be made that the submission of the relevant evidence will, in itself be sufficient to allocate a place.

4. Children who have attended Trinity Pre-School nursery two year old provision and continued through to 3 year old provision.
5. Children who have attended Trinity pre-school nursery located on the site of Meadowdale Academy in the preceding academic year.
6. Siblings of pupils attending the school at the time the application is received [where an older sibling is in year 6 siblings will not be prioritised under this criterion]. For the purpose of admission, siblings are deemed to be brother and sisters, step brothers and sisters, adopted brother or sisters and other children who reside permanently in the household and are treated as siblings. As a tie breaker multiple births will be treated as one admission.
7. Children of staff employed at the academy for two or more years at the time at which the application for admission is and/or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage.

8. Children who live nearest the school measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. All distance measurements are based on the distance checker contained within the EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.
9. All other children

### **Tie Breaker**

Where there are places available for some but not all applicants within a particular criterion, distance from home to school will be the deciding factor, with preference given to those whose home address is nearest to the school when measured as the crow flies from the front door of the child's home address to the main gate of the school using the local authority's computerised measuring system. Where there are more applications than places available, children from multiple births will be given priority within each criterion.

### **Waiting lists**

The school will operate a waiting list for Reception. Where the school receives more applications for places than there are places available, a waiting list will operate until the end of the academic year. This will be maintained by the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

### **Appeals**

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code (<https://www.gov.uk/government/publications/school-admissions-appeals-code>)

Appellants should contact Northumberland County Council for information on how to appeal. Information on the timetable for the appeals process is on their website at: [schooladmissions@northumberland.gov.uk](mailto:schooladmissions@northumberland.gov.uk)

## Ponteland Community Primary School/Ponteland Academy

The Academy operates alongside Northumberland Local Authority and the National Guidelines on Admissions and Appeals, although Ponteland Academy [and not the local authority] is the Admission Authority for entrance into the Academy and is responsible directly to the Department for Education for all Admissions and Appeals.

Places are offered to prospective primary pupils from Reception to Year 6, at the same time as places are allocated within all other Northumberland schools. This is co-ordinated between the academy and the Local Authority. All queries and appeals are handled by the Local Authority. The Published Admissions Number for reception is 30. Applications for admissions are to be made directly to Northumberland County Council on the appropriate Common Application Form. The Academy completes a supplementary information form with the parent.

After the admission of pupils with Statements of Special Educational Needs or Education, Health and Care [EHC] plan for whom PCPS/Ponteland Academy is named on the statement entry will be allocated in the following order of priority:

- Looked After Children [in public care] and previously looked After Children
- Children on whose behalf written evidence of exceptional medical or social need is presented, such as evidence being supplied by a professionally involved third party and must set the particular reasons why the Academy is the most suitable school.
- Children of staff where the member of staff is employed at the Academy and filling in a post for which there is a demonstrable skill shortage.
- Children who have a sibling[s] who will be in Reception to Year 6 on the Academy roll at the time of admission. [Siblings are recognised as brothers, sisters, half-brothers, half-sisters, step-brothers, step-sisters who reside permanently in the same household. Where applications are received for twins, triplets or same-year siblings, the following procedure will be followed. If one child is selected for a place the twin/triplet/same-year sibling will automatically be selected. If school places are oversubscribed the family name will be entered into the list because when one child is allocated a place it automatically secures a place for the other child[ren].
- Children who are eligible to receive the 'service premium' under section 14 of the Education Act 2002 for the purposes of supporting the pastoral needs of the children of Armed Forces personnel.
- Children resident in the greater catchment area for the Ponteland schools.
- Children, on the basis of the closeness of their home's front door to the front gate of the Academy, measured by way of walking in the shortest possible line without entering private property. [Walking distance must be along a safe walking public route, which does not include private short cuts or walk along open ground where there are no public rights of way. A safe walking route is defined as being paved/tarmacked and lit at regular intervals.]

### Waiting List

In addition to the right to appeal, unsuccessful applicants will be offered an opportunity to be placed on the waiting list. Vacancies will be offered in the first instance to applicants on this list. In the event of multiple children on the waiting list, the order will be in accordance with the admissions criteria.

Appeals: Parents whose applications for places are unsuccessful may appeal to an NCC Independent Appeal Panel set up in accordance with NCC regulations.

## Abbeyfields First School

The Board of Directors of The Three Rivers Learning Trust is the Admission Authority of the Learning Trust and is obliged to admit all applicants to a particular school within The Three Rivers Learning Trust provided these do not exceed the school's Published Admission Number (PAN).

The Published Admission Number for Abbeyfields First School for entry in September 2020 is 60.

If applications for places at a particular school exceed the Published Admission Number, priority is given in accordance with the criteria set out below. This admissions policy will be used to allocate places if we are oversubscribed.

In accordance with the School Admission Code, children with a Statement of Special Educational Need or an Education Health and Care Plan (EHCP) where the school is named in the Statement or EHC Plan will be given priority of admission.

In addition, those children who are deemed to be 'looked after' or who have previously been 'looked after' will be given priority of admission.

The priority order for considering the remaining applications is as follows:

1. Children living within the catchment area of the school and those on whose behalf firm evidence is presented that they will be living in the catchment area by the appropriate admission date.
2. Children with an exceptional social or medical reason that means that they can only attend that specific school (for example, where the child or one or both parents has a disability that means that the child can only go to one school). Strong supporting evidence must be provided from a professional body involved with the family or the child. The professional must be independent of both the family and the school. The evidence must relate specifically to the school for which the application is being made and must demonstrate clearly why it is the only school that can meet the child's needs. No assumptions should be made that the submission of the relevant evidence will, in itself be sufficient to allocate a place.
3. Children resident in the greater catchment area of the school partnership who have siblings already in the school and who are expected to be on roll at the school at the time of admission who live within the greater catchment area of the school partnership. Evidence must be presented to confirm that the child will be living in the greater catchment area by the appropriate admission date.

For the purpose of admissions siblings are deemed to be brothers and sisters, step brothers and sisters, adopted brothers and sisters and other children who reside permanently in the household and are treated as siblings.

4. Children resident in the greater catchment area of the school partnership who are expected to be on the roll at the school at the time of admission. Evidence must be presented to confirm that the child will be living in the greater catchment area by the appropriate admission date.
5. Children who have a sibling who already attends the school and who is expected to be on roll at the school at the time of admission.
6. Children on whose behalf preferences are expressed on grounds other than those outlined above.

Where there are more applications than places available, children from multiple births will be given priority within each criterion. If a further tie break is necessary distance between home and the school will be used to prioritise applications.

### Waiting List

In cases when an application for a place has been unsuccessful, the child's name will be placed on a reserve list for the school in question under the appropriate Co-ordinated Scheme. Reserve lists will be maintained until the end of the school year to which they relate

**Tie Breaker**

Should it prove necessary, because places are limited, to distinguish between pupils in any given category priority will be given to those who live nearest to the school, measured in a direct line ('as the crow flies') from the front door of the home to the main gate of the school. The distance checker is contained within the Local Authority EMS school admissions software using GIS data. Distance checking is an integral function within the school admissions software ensuring consistency in measurement.
