Best known as **Martin Harrington**.

I have been a Councillor in Alnwick for many years. As well as being involved with a number of Town council sub committees, I am chairman of the Town Council planning committee. I am also chairman of the "Alnwick Retail and Town centre Advisory Group", which was set up during the Covid outbreak to look at ways of maintaining and getting the Town centre working during and after the restrictions of Covid 19 were being relaxed.

This involves working with other key groups in the Town, like Alnwick Castle - The Alnwick Gardens - Aln Valley Railway- The Chamber of trade - The Churches of Alnwick- Alnwick Markets - Northumberland County Council.

He group has achieved a lot in a short time and have worked very hard to help steer through some challenging times over the last 2 years – but have proved that working together can achieve a lot more than on your own.
