Cllr Martin Swinbank
County Councillor – Alnwick Division

I have lived and worked in the Alnwick Area for over 25 years and run my own renewable energy installation business. I have been an Alnwick Town Councillor for over 8 years and a Northumberland County Councillor representing the Alnwick Division since May 2021.

I seek to represent the interests of the residents in my wards and to work towards a safe, just, and environmentally coherent future for everyone.

In my spare time I enjoy cycling, dinghy sailing and walking, particularly in the beautiful North Northumberland countryside, hills, and coast.
