- Individual project summaries
- Project finances
- Outputs, outcomes and benefits
- Outcomes and impact: what does success look like?

Alignment with other projects in the town

What is currently being delivered?

What do we believe to be in the pipeline?

What has been delivered recently?

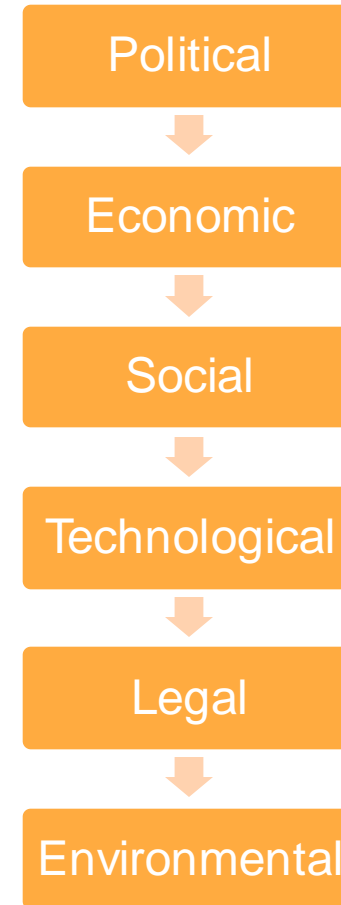

- What went well?
- What were the challenges

Who else should we talk to, to understand the project pipeline better?

SWOT Analysis

Internal Town Factors	External Factors
Strengths of the town	Opportunities for the town
Weaknesses of the town	Threats for the town

For external factors consider the following elements

Next Steps
