

Bedlington Place Programme Board Member Pen Portrait

**Bill Crosby
Parish Councillor
East Bedlington Parish Council**

Married with 3 children and four grandchildren. I am an ex-serviceman having served in the Royal Air Force for 7 years. On leaving the RAF I then joined Northumbria Police and served for 24 years until retirement in 2014.

For some strange reason I stood for election to the county council in 2017 and was elected to represent Bedlington East which I was proud to do before standing down in 2021.

I am currently the chair of East Bedlington Parish Council and I also sit on West Bedlington Town Council and if I have any time left, I also sit on the Board of Governors at Stead Lane Primary School. In recent years I have been happy to help organise Bedlington's Poppy appeal on behalf of the Royal British Legion.
