**Rebecca Wilczek  
County Councillor  
Northumberland County Council**

I have served as the County Councillor and a Parish Councillor for the Bedlington East ward since May 2021.

I am a Trustee of my local community centre – East Bedlington Community Centre. I am the Chair of the Wansbeck Christmas Campaign, a campaign set up in winter 2020, to ensure every child in Wansbeck receives a toy at Christmas.

I work in education and am passionate about young people thriving, having opportunities, and reaching their goals.
