**Victoria Thompson  
Town Councillor  
West Bedlington Town Council**

I am in my second term as a member of West Bedlington Town Council as an Independent, where I have taken a significant interest in the development of the town as a whole, in particular matters of planning, heritage, outdoor space and opportunities.

I want to see Bedlington residents being given opportunities and facilities that they deserve and live in a town in which they are proud to spend their time (and money!)

Outside of my Town Council life, I am a teacher who specialises in SEND (special educational needs and disabilities) and have an interest in education and support for children, particularly those who are most vulnerable.

I am married with 3 young boys and see and hear the needs of families in the town on a daily basis.
