

# **Bellingham Place Programme Pen Portrait**

**Ant Kirkbride  
Parish Councillor  
Bellingham Parish Council**

I moved to the village in 2019 with my family having lived in Newcastle all my life. I work in the public sector and have extensive experience working alongside other government agencies and public sectors organisations to deliver improvements and change. I have two small children and enjoy spending time with them when I am not at work and enjoying the beautiful surroundings where I live.
