

Bellingham Place Programme Pen Portrait

**Martin Dickson-Green
Supplier Relationships Manager
Virgin Media O2**

Originally from Bellingham, I returned to the area in early 2018 after spending 25 years living in Newcastle and Darlington.

I have worked at Virgin Media O2 (previously Telefonica UK / BT) since 1999 in various sales, marketing and project delivery & support roles.

Martin is a keen advocate of the environment & green technology and is passionate about making Bellingham the best it can be for residents, visitors and local businesses.
