**Vince Walsh
Development Manager
Karbon Homes**

I have over 30 experience years in Development and having worked for affordable housing providers in the N/East and N/West.

I started my career at the Housing Corporation now Homes England in Manchester before joining former Nomad now Karbon back in 2003. My development experience includes community housing, supported housing, rural and urban developments mainly in Newcastle, Northumberland, and North Tyneside.

I am a board member of Communities CAN and a member of Northeast Community-led Development Network steering group. I have a large network of developers, contractors and housing professionals having worked in the Northeast over the last 20 years.
