

Haltwhistle Place Programme Pen Portrait

**Maxine Wilson
Manager
Haltwhistle Swimming & Leisure Centre**

I have been part of the Haltwhistle community since moving here at the age of eight and my family were brought up and schooled in the town so I am totally invested in the welfare of the town and it's inhabitants.

I have always been a keen participant in outdoor activities, as well as running and swimming and began working at the swimming pool as a lifeguard in 1999. When the leisure centre was built in 2003, I became a Duty Manager and in n 2016 took over the role as Manager.
