Newbiggin Community Ventures Ltd**

Lynn Burns is a Director of Newbiggin Community Ventures Ltd, a Community Interest Company committed to the development of sustainable community businesses that improve the quality of life and prospects for people in Newbiggin by the Sea.

She has lived in Newbiggin for 38 years and has taken a full active part in Newbiggin life during this time. This has included volunteering in the school as a parent governor and PTA; secretary of Newbiggin Forward for 5 years; AFC Newbiggin; Newbiggin Town Team.

Now as a Director of Newbiggin Community Ventures she progresses her passion for community led economic development through supporting the feasibility and development of ideas that local people have for community businesses and improved facilities. Through this role she works closely with other community organisations in the area and has recently commissioned the Newbiggin Economic Plan to support partnership development in the area.
