

Rothbury Borderlands Place Programme Pen Portrait

**Peter Colquitt
Parish Councillor
Rothbury Parish Council**

I am married with grown-up children and grandchildren and retired 2 years ago - moving back to Rothbury (where I was born) after military service and a career in IT project management.

Since “hanging up my boots” I have done volunteer work (helping the elderly, local GP practice and community transport and supporting ex-servicemen) worked as a vaccinator (Covid-19) and at a local museum and joined the parish council. All this allows me to interact with the community, which I find both enjoyable and rewarding. I welcome the opportunity to assist the Borderlands Place Programme.
