

## Street Furniture Palette - Dec 21

### NORTHERN GATEWAY PHASE 1 STREET FURNITURE PALETTE

Large scale plant pots - in two sizes playful design will liven the street spaces referencing the oversized industrial features of Blyth docks visible from within the Town Centre.

Chunky Timber Seats - providing a warmth and rustic quality referencing the heavy timbers of Blyth's ship building history while bringing a contemporary look to the Town Centre.

Derby E Litter Bin - robust and coloured in a neutral grey finish

Shuffle lighting by Shreder with gobo projector and community lighting to allow performance.

Modal paving by Marshalls - in three colours bring a warmth to the floorscape referencing the colours of Blyth's coastline.

Tree Grille by Blueton Street Furniture - with cutout artwork particular to Blyth

Chunky timber benches by Blueton Street Furniture - with I-Beam base in stainless steel

Conservation paver by Marshalls - warm robust and affordable paver
