

Wojciech Ploszaj

County Councillor for Kitty Brewster Ward

Cabinet member and Portfolio Holder responsible for Business, Economic Development, Regeneration, Public and Strategic Transport

He is a Design Engineer working for Michell Bearings and brings a wealth of private sector experience to support and advise the Board too

Wojciech is also a Member of North East Regional Employers' Organization and Member of Collaborative Procurement Sub-Committee of Association of North East Councils.

He believes in a community change driven by positive economic regeneration of the town and region.

He focuses on bringing new investments to the county as well as improving transport links. Additionally, he works with local employers and organizations to improve STEM training and education opportunities for Blyth youngsters and adults.
