

Rob Strettle

Economic Growth and Regeneration Manager (Northumberland County Council)

My background is in policy, programme and project development in the economic growth field including 18 years' experience in the business, skills, enterprise and place agendas.

I currently manage a team which leads on place partnerships, bidding and programme development across the county. This includes acting as the lead officer for a number of major regeneration programmes including the Blyth Future High Street Fund, Blyth Town Deal, Other projects I've recently worked on include the Hexham High Streets Heritage Action Zone and the Northumberland Line Economic Corridor Project.

My role is to facilitate, advise and provide support in liaison with my colleagues to the Town Deal Board in developing the Town Investment Plan and associated documents and processes to secure the Town Deal and establish a long term programme of renewal to deliver the objectives of the Regeneration Framework.
