Subject: Footpath at Blackhall, Hexhamshire

Hello Duncan

We have another footpath issue, however I'm not sure if it will fall under your remit. A car has been dumped on the side of footpath 526/002 at Blackhall, marked with a star on the map below. While the car is on private land, we are advised that the windscreen is now smashed and the bumper pulled off, and there is a possibility of broken glass and metal, which could be a hazard to walkers. We are also worried about possible contamination. Is this something you can help with?

Look forward to hearing from you .

Thanks and regards

Gill Whatmough
