Notes:

"Gold" standard requires a CQC rating of "outstanding", and some additional conditions relating to arrangements for working with the NHS

"Silver" standard requires a CQC rating of "good", and conditions relating to arrangements for working with the NHS

"Bronze" standard applies to any other care home

Nursing fees are exclusive of the nationally-set Funded Nursing Care contribution

Fees apply to social care placements, CHC placements arranged on behalf of Northumberland CCG and Section 117 placements.

Additional 1:1 staffing can be funded for residents with needs beyond those which a care home can normally be expected to meet, where an assessment concludes that this is necessary.
