

AGENDA FOR THE WILDFIRE FORUMS MEETING

Room 4, The Principality Stadium
20th November 2019, 17:00-18:30

- 1 This meeting will be hosted by the England & Wales Wildfire Forum, with support from the Scottish Wildfire Forum, and the National Fire Chiefs' Council.
- 2 UK and international representatives from other fire services and other organisations will be invited to join the meeting.
- 3 The aim of the meeting will be to discuss issues of importance to the delegates who attend the meeting and to share ideas. A particular focus will be placed on the [Wildfire Risk Assessment Guidance](#) developed by the Uplands Management Group. The guidance includes a Wildfire Risk Assessment (including a Wildfire Scoresheet if required), a Wildfire Response Plan and a Wildfire Management Plan.
- 4 If anyone has a particular topic they would like to discuss, please let Rob Stacey know before the meeting - contact details are in the footer.
- 5 Discussion will also include how best to continue the dialogue in between the UK wildfire conferences and the date and choice of venue for the next conference.
