ANY TIME, ANY PLACE

**Our instructional staff
can deliver courses at
one of our sites or your
own, including evenings
and weekends.**

COURSES AVAILABLE

FIRE EXTINGUISHER

Learners will receive theoretical and practical extinguisher training. On completion, they will be confident in selecting and using the correct extinguisher in the event of an emergency fire situation.

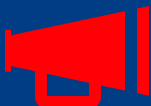

1 hour course.

FIRE AWARENESS

Learners will understand the role of all staff relating to fire safety and be aware of the actions to be taken in the event of an emergency fire situation. Includes practical use of extinguishers.

2.5 hour course.

FIRE WARDEN

Learners will build upon their existing skills and knowledge of fire safety, developing a greater appreciation of fire behaviour and understanding the roles and responsibilities expected of the fire warden.

4 hour course.

COMPETENT PERSON

This course is aimed towards staff of residential care homes and schools who are nominated Fire Safety Officers. The course covers all aspects of fire safety and includes direction on the delivery of staff training.

7 hour course.
