## Social Media

### Background

As you know, the inspection is happening NOW, not just during the 'Fieldwork' week...

### Where are the Inspectors looking for information?

As well as the direct requests for evidence/ data to the service, Inspectors are monitoring the media, including social media.

### NFRS Social Media

We have had a Facebook account for some time but have recently added a Twitter account for the Chief.

### How can I access this?

Follow him @NLandFRS\_CFO and send him a 'tweet'.
