

HMICFRS Inspection - Friday Update 3

HMICFRS Engagement Day 2

What Are Engagement Days?

They inform the inspection of the differences between Fire Services and what makes Northumberland FRS unique. Our dedicated Service Liaison Lead (SLL), Matt Reavill, will visit Northumberland for “Engagement Days” to gain an understanding of how we work. Following involvement in the pilot inspection, CFO Mark Hardingham, from Suffolk FRS, stated that the relationship with the SLL is critical to the inspection, therefore Engagement Days are important to build our relationship with Matt.

What Will Engagement Day 2 Cover?

A packed timetable has been compiled and runs from early morning until late evening on Tuesday the 26th June. As with Engagement Day 1, Matt has requested to meet with personnel from all areas of the service to cover topics such as:

- Health & Safety;
- Internal Information Systems;
- Rep Bodies;
- Internal Procedures;
- Crew Engagement (Amble RDS);
- Operational Quality Assurance.

.....Generally getting to know us better!
