Pharmacy Relocation	Dispensing doctor relocation

Details of Change

Gable medical practice applied to relocate the dispensary from Cambois to their main surgery in Bedlington, due to the lack of suitable premises within Cambois.

The application to relocate has been approved by NHS England,

The practice plan to deliver prescriptions to the housebound and vulnerable up to twice a week to ensure that patients continue to have access to dispensed medicines.

This change does not impact on the availability of pharmaceutical services in Cambois, as there are no pharmacies in the village. The map in the PNA published on 1st April 2018 will be updated to reflect this closure.

This supplementary statement to Northumberland's Pharmaceutical Needs Assessment is issued in accordance with paragraph 3D (3) in Part 1A of the NHS (Pharmaceutical

Services) Regulations 2005. If you require further information please contact Pamela.forster@northumberland.gov.uk
