Design a Cycling Jersey Competition

The OVO Energy Tour of Britain is coming to Northumberland on Monday 9 September 2019. To celebrate, we're asking all Northumberland schools to design a cycling jersey.

A prize fund of £10,000 will be shared among the winning schools to spend on sporting activities or school trips!

Designs should showcase some of the many highlights of Northumberland. The winning designs will be turned into a real life jersey and presented to schools.

The competition is split into three categories, Reception to Year 4, Year 5 to 8 and Year 9+. Schools can submit one entry per category.

Competition closes at 5pm on 15th July.

Winners announced 18th July.

For further information and entry submission, please visit
